

Opposition to Journey House Clark Square Apartment Complexes

We the undersigned, as residents of the Clark Square Neighborhood, respectfully request that the City Plan Commission and Common Council refuse the zoning change requested by Cardinal Capital Management and Journey House to rezone these areas from Two-Family Residential (RT4) to General Planned Development (GPD), for the purpose of putting up apartment complexes in our neighborhood, and leave it as Two-Family residential (RT4). We believe such development would seriously compromise the integrity of our neighborhood and, as a result, the quality of life in the City of Milwaukee as a whole.
