

Business Improvement District No. 43
South 27th Street Business Improvement District
2026 Proposed Operating Plan

August 28th, 2025

I. INTRODUCTION

A. Background

In 1984, the Wisconsin legislature created S. 66.1109 of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (BIDS). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

The City of Milwaukee created Business Improvement District No 43 (BID 43) and approved it’s initial operating plan via Common Council Resolution No 090560, adopted by reference November 3, 2009.

Since 2009, BID 43 has submitted yearly-amended plans adding and modifying it’s plan objectives as part of it’s ongoing management and promotion of the district. This amended plan shall govern operation of BID 43 during calendar year 2026.

B. Physical Setting

The area is roughly bounded by:

The properties at South 27th Street and Kinnickinnic Parkway on the North and extends South to the Milwaukee/Greenfield border to the intersection of South 27th Street and College Ave.

II. DISTRICT BOUNDARIES

Boundaries of the district are shown on the map in Appendix C of this Plan. A listing of the properties included in the district is provided in Appendix D.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the South 27th Street Business Improvement District is to: enhance the economic viability of local businesses, enhance property values, maximize business facilities, promote the friendliness and quality, enhance the community image through safety/awareness and beautification, with overall area growth and development.

B. Proposed Activities – Year Seventeen

Principal activities to be engaged in by the district during it's 17th year of operation will include:

- a. Continue to enhance the area's image through beautification, maintenance and related activities.
- b. Programming and initiatives to be a driving influence for our businesses and surrounding residential community to contribute to a safe, vibrant and culturally inclusive district.
- c. Execution of activities within the South 27th Street Business District's Strategic Plan and Vision.
- d. Partner with surrounding entities to strengthen programming, partnerships and participation.

A unique feature is Greenfield is also in it's 17th year since the formation of two business improvement districts. The two BID's (Greenfield BID #1 and Greenfield BID #2) fall under one umbrella and share the same common goals and initiatives. Further, it is fact that the 3 business improvement districts (Milwaukee 43 and Greenfield 1 & 2 jointly contract with a 501-c-3 entity (a/k/a South 27th Street Business District Association (Historic Highway 41) to manage both districts as one. The organization continues to run under one umbrella, one board and one set of bylaws.

C. Proposed Expenditures

Approximately \$150,787 in 2025, this is Milwaukee's proposed portion of the budget.

Proposed 2026 Budget

Budgeted Activities and Programs

Design and Maintenance: \$33,173

Management and maintenance of extensive boulevard design. Repairs or replanting as well as any other miscellaneous beautification initiatives supporting the appearance of the district and surrounding neighborhood areas.

Marketing and Promotion: \$33,173

General branding and implementation of district activities. (Ex. Business Development, partnerships/memberships, sponsorships, meetings, campaigns, retention, events, etc.)

Administration and Management: \$84,441

Full time management: Business recruitment, oversight, communication, administrative support, etc. Office space, audit, insurance, supplies, grant program, future programming, misc. and other duties.

Anticipated BID Revenues	\$150,787
Reserve	\$60,000
Total BID Revenues and Reserves	\$210,787

D. Financing Method

It is proposed to raise \$150,787 through BID assessments in Milwaukee (see Appendix D). Other miscellaneous income will be from interest and dividends. Sponsorships revenue may be anticipated for special programs and marketing efforts. The BID board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

E. Organization of BID Board

The Mayor will appoint members to the district board ("board"). The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the board be composed of at least five members and that the majority of the board members be owners or occupants of property within the district.

It is fact that the two communities will provide board members in relative proportion to the "Association" that is contracted to run the three business improvement districts.

It is recommended that the BID board be structured and operate as follows:

1. Board size from Milwaukee – Minimum of Five and maximum of 9.
2. Composition – At least 60% shall be owners or occupants of property within the district. Any non-owner or non-occupant appointed to the board shall be a resident of the City of Milwaukee. The board shall elect its Chairperson from among it's members.
3. Term – Appointments to the board shall be for a period of three years except that initially two members shall be appointed for a period of three years, two members shall be appointed for a period of two years, and one member shall be appointed for a period of one year.
4. Compensation – None
5. Meetings – All meetings of the board shall be governed by the Wisconsin Open Meetings Law and held periodically.
6. Record Keeping – Files and records of the board's affairs shall be kept pursuant to the public record requirements.
7. Staffing – The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.

8. Meetings – The board shall meet regularly, at least twice each year. The board shall adopt rules of order (“by-laws”) to govern the conduct of its meetings.

F. Relationship to the South 27th Street Business District Association

The Association has contracted with the BID to provide services in accordance with this Plan.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

The principal behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore a fixed assessment of the assessed value of the property was selected as the basic assessment methodology for this BID.

The assessment will be on the current year general property assessment that is established by the City of Milwaukee. The rate will be approximately \$1 per \$1,000 of assessed value. \$500 minimum with a maximum of \$1,500 per property.

However, maintaining an equitable relationship between the BID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent disproportional assessment of a small number of high value properties, a maximum assessment of \$1,500 per parcel will be applied.

As of August 2025, the property in the proposed district had a total BID assessable value of \$252,378,532.00. This plan proposed to assess the property in the district at a rate of \$1 per \$1,000.00 of assessed value, subject to the maximum assessment, for the purposes of the BID.

Appendix D shows the projected BID assessment for each property included in the district.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.1109(1)(f)lm: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.

2. State Statute 66.1109(5)(a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix D, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.1109(1)(b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax exempt property adjoining the district and which is expected to benefit from the district activities may be asked to make a financial contribution to the district on a voluntary basis.

V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the 27th Street Business Improvement District business area and for further preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the Operating Plan. In particular, the city will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district on a timely basis.
4. Receive annual audits as required per sec. 66.1109(3)(c) of the BID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed

value of each tax key number within the district, for purposes of calculating the BID assessments.

6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this Plan.

Section 66.1109(3)(a) of the BID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the development program, it focuses upon the current year activities, and information on specific assessed values, budget amounts and assessment amounts based on year eight conditions. Greater detail about subsequent year's activities will be provided in the required annual updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

The BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include an assessable properties, a certain class or classes or properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).

C. Termination of the BID

A municipality shall terminate a business improvement district if the owners of property assessed under the operating plan having a value equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property

assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the business improvement district, subject to all of the following conditions:

A petition may not be filed under this subsection earlier than one year after the date the municipality first adopts the operating plan for the business improvement district.

On and after the date a petition is filed under this subsection, neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of hearing under par.(c) and unless the business improvement district is not terminated under par.(e).

Within 30 days after the filing of a petition under this subsection, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice together with a copy of the operating plan and a copy of a detail map showing the boundaries of the business improvement district shall be sent by certified mail to all owners of real property within the business improvement district. The notice shall state the boundaries of the business improvement district and shall indicate that copies of the operating plan are available from the planning commission on request.

Within 30 days after the date of hearing under par.(c) every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under this subsection, that the owner retracts the owner's request to terminate the business improvement district, or if the owner did not sign the petition, that the owner requests termination of the business improvement district.

If after the expiration of 30 days after the date of hearing under par.(c) by petition under this subsection or subsequent notification under par.(d) and after subtracting any retractions under par.(d) the owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, have requested the termination of the business improvement district, the municipality shall terminate the business improvement district on the date that the obligation with the latest completion date entered into to implement the operating plan expires.

Appendix A

66.1109 Business improvement districts.

- (1) In this section:
- (a) "Board" means a business improvement district board appointed under sub. (3) (a).
 - (b) "Business improvement district" means an area within a municipality consisting of contiguous parcels and may include railroad rights-of-way, rivers, or highways continuously bounded by the parcels on at least one side, and shall include parcels that are contiguous to the district but that were not included in the original or amended boundaries of the district because the parcels were tax-exempt when the boundaries were determined and such parcels became taxable after the original or amended boundaries of the district were determined.
 - (c) "Chief executive officer" means a mayor, city manager, village president or town chairperson.
 - (d) "Local legislative body" means a common council, village board of trustees or town board of supervisors.
 - (e) "Municipality" means a city, village or town.
 - (f) "Operating plan" means a plan adopted or amended under this section for the development, redevelopment, maintenance, operation and promotion of a business improvement district, including all of the following:
 - 1. The special assessment method applicable to the business improvement district.
 - 1m. Whether real property used exclusively for manufacturing purposes will be specially assessed.
 - 2. The kind, number and location of all proposed expenditures within the business improvement district.
 - 3. A description of the methods of financing all estimated expenditures and the time when related costs will be incurred.
 - 4. A description of how the creation of the business improvement district promotes the orderly development of the municipality, including its relationship to any municipal master plan.
 - 5. A legal opinion that subds. 1. to 4. have been complied with.
 - (g) "Planning commission" means a plan commission under s. 62.23, or if none a board of public land commissioners, or if none a planning committee of the local legislative body.
- (2) A municipality may create a business improvement district and adopt its operating plan if all of the following are met:
- (a) An owner of real property used for commercial purposes and located in the proposed business improvement district designated under par. (b) has petitioned the municipality for creation of a business improvement district.
 - (b) The planning commission has designated a proposed business improvement district and adopted its proposed initial operating plan.
 - (c) At least 30 days before creation of the business improvement district and adoption of its initial operating plan by the municipality, the planning commission has held a public hearing on its proposed business improvement district and initial operating plan. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice together with a copy of the proposed initial operating plan and a copy of a detail map showing the boundaries of the proposed business improvement district shall be sent by certified mail to all owners of real

property within the proposed business improvement district. The notice shall state the boundaries of the proposed business improvement district and shall indicate that copies of the proposed initial operating plan are available from the planning commission on request.

- (d) Within 30 days after the hearing under par. (c), the owners of property to be assessed under the proposed initial operating plan having a valuation equal to more than 40 percent of the valuation of all property to be assessed under the proposed initial operating plan, using the method of valuation specified in the proposed initial operating plan, or the owners of property to be assessed under the proposed initial operating plan having an assessed valuation equal to more than 40 percent of the assessed valuation of all property to be assessed under the proposed initial operating plan, have not filed a petition with the planning commission protesting the proposed business improvement district or its proposed initial operating plan.
- (e) The local legislative body has voted to adopt the proposed initial operating plan for the municipality.

(3)

- (a) The chief executive officer shall appoint members to a business improvement district board to implement the operating plan. Board members shall be confirmed by the local legislative body and shall serve staggered terms designated by the local legislative body. The board shall have at least 5 members. A majority of board members shall own or occupy real property in the business improvement district.
 - (b) The board shall annually consider and may make changes to the operating plan, which may include termination of the plan, for its business improvement district. The board shall then submit the operating plan to the local legislative body for its approval. If the local legislative body disapproves the operating plan, the board shall consider and may make changes to the operating plan and may continue to resubmit the operating plan until local legislative body approval is obtained. Any change to the special assessment method applicable to the business improvement district shall be approved by the local legislative body.
 - (c) The board shall prepare and make available to the public annual reports describing the current status of the business improvement district, including expenditures and revenues. The report shall include an independent certified audit of the implementation of the operating plan obtained by the municipality. The municipality shall obtain an additional independent certified audit upon termination of the business improvement district.
 - (d) Either the board or the municipality, as specified in the operating plan as adopted, or amended and approved under this section, has all powers necessary or convenient to implement the operating plan, including the power to contract.
- (4)** All special assessments received from a business improvement district and all other appropriations by the municipality or other moneys received for the benefit of the business improvement district shall be placed in a segregated account in the municipal treasury. No disbursements from the account may be made except to reimburse the municipality for appropriations other than special assessments, to pay the costs of audits required under sub. (3) (c) or on order of the board for the purpose of implementing the operating plan. On termination of the business improvement district by the municipality, all moneys collected by special assessment remaining in the account shall be disbursed to the owners of specially assessed property in the business improvement district, in the same proportion as the last collected special assessment.

- (4m)** A municipality shall terminate a business improvement district if the owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the business improvement district, subject to all of the following conditions:

- (a) A petition may not be filed under this subsection earlier than one year after the date the municipality first adopts the operating plan for the business improvement district.
- (b) On and after the date a petition is filed under this subsection, neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of hearing under par. (c) and unless the business improvement district is not terminated under par. (e).
- (c) Within 30 days after the filing of a petition under this subsection, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice together with a copy of the operating plan and a copy of a detail map showing the boundaries of the business improvement district shall be sent by certified mail to all owners of real property within the business improvement district. The notice shall state the boundaries of the business improvement district and shall indicate that copies of the operating plan are available from the planning commission on request.
- (d) Within 30 days after the date of hearing under par. (c), every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under this subsection, that the owner retracts the owner's request to terminate the business improvement district, or, if the owner did not sign the petition, that the owner requests termination of the business improvement district.
- (e) If after the expiration of 30 days after the date of hearing under par. (c), by petition under this subsection or subsequent notification under par. (d), and after subtracting any retractions under par. (d), the owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, have requested the termination of the business improvement district, the municipality shall terminate the business improvement district on the date that the obligation with the latest completion date entered into to implement the operating plan expires.

(5)

- (a) Real property used exclusively for residential purposes and real property that is exempted from general property taxes under s. 70.11 may not be specially assessed for purposes of this section.
- (b) A municipality may terminate a business improvement district at any time.
- (c) This section does not limit the power of a municipality under other law to regulate the use of or specially assess real property.

Branding Launch – Phase 3

-By Tara Cavazos

The South 27th Street Business District Association is in the process of phase 3 of MCTS shelter rebranding and installations in 2025. The first three shelters were piloted in 2021, with four more added in phase 2. Now in phase 3, all MCTS shelters in the corridor will be completed and feature Historic Highway 41 metal panels, with all installations expected to finish by 2026.

Rebranding the business corridor MCTS shelters was a concept derived from frequent broken glass and graffiti at the curbline, contributing to a negative experience in the corridor and below standard curb appeal for business frontage areas. During the initial pilot of three shelters with this new concept, the Association was able to monitor community feedback and reactions to the new shelters. The response was overwhelmingly positive in experience and beautification. All panels have an anti-graffiti coating, provide shade in the heat and protection from wind and rain. There have been no replacement panels needed since 2021, and these continue to be budget friendly and durable while displaying the Historic Highway 41 corridor brand.

2025 in Review and Upcoming

Community Vibes

We are one overall community, and we need connection to thrive together! Our vision consistently has always been to be a driving influence for our business and residential community and contribute to a safe, vibrant and culturally inclusive regional destination. We do that by collaborating, partnering and building relationships across our surrounding community, neighborhood associations, businesses, law enforcement and non-profits.

In 2025, the Association sponsored and co-sponsored many community events throughout the year. Some of these events include the City of Greenfield Sweetheart Dance, Greenfield and Milwaukee National Night Out, Easter Hunt and Brunch, Salvation Army Food Drive Bingo, Trunk-n-Treat, The Christmas Shop, four pop-up community cook outs and more! All events are free to the public, intergenerational, family friendly and bring our businesses and community sectors together.

The Association keeps our corridor in mind and households through branded items, giveaway prizes, flyers, business participation, sponsorship and visibility throughout the community. Visit our newest branded shelter benches in the new Turf Skatepark!

We are not done yet!

2025 events are still happening. Coming up next...

4 pop-up community cookouts with MPD District 6 sponsored by the South 27th Street Business District, Crisol Corridor and the Gateway to Milwaukee. This is open topic discussion to voice what's on your mind, any ideas you have and family friendly.

The 5th Annual Trunk-n-Treat event is nearing, and our businesses are ready to get out there to talk with families, decorate their trunks, let parents know what they have to offer and give a great spooky experience to the children!

In December, we will sponsor and host our annual Bingo Brunch with Milwaukee Police District 6 for our senior neighbors who are alone for the holidays and have transportation restrictions. This event is by referral from Serving Older Adults.

Also, in December we will host our Kid's Christmas Shop where we transform a gymnasium into a retail store with personal shoppers and gift wrappers on-site. Children shop for their parents and experience thoughtfulness and giving during the holiday season.

Safety

The South 27th Street Business District Association takes multiple approaches in safety related issues to keep crime statistics to the minimum within our corridor as well as our police district overall.

Our collaboration with the Crisol Corridor (S 13th St) and the Gateway to Milwaukee (Airport area) has allowed us to budget share and take on various projects. In 2025 end of year or through early 2026, six FLOCK cameras will be installed between our business corridors. South 27th Street has a two FLOCK cameras that have been in place since 2021, with another added in 2024. We have seen a dramatic drop in stolen vehicles since these installations in the South ends of the corridor. Also, these have been very beneficial to prosecuting repeat offenders in organized retail theft.

Working with our Asset Protection teams around the district has us focused on consumer safety, retail theft and stolen and damaged property. In our corridor we serve automotive needs, medical needs, household needs, banking, maintenance and a large array of other day to day errands and services. The expectation is that our employees have a safe workplace, our consumers have a safe, great experience and our businesses can operate with the least amount of crime activity possible. We work towards this diligently and through our Asset Protection teams track any new crime trends or nuisance issues.

Beautification

We aspire to keep our corridor looking the best! Approximately 20 dead trees were removed and replaced throughout the district with the assistance of the City of Greenfield Forestry Department. The medians have been a bit challenging with construction and debris; however, KEI has kept them looking as green and clean as possible throughout the season. As we approach fall and the completion of construction in October we will inspect the medians after all equipment, barrels, etc. have been removed and repair and/or clean up any areas that need some assistance to being restored.

Independent Auditor's Report

Board of Directors
South 27th Street Business District Association, Inc.

Opinion

We have audited the accompanying financial statements of South 27th Street Business District Association, Inc. (a nonprofit organization) which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South 27th Street Business District Association, Inc. as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of South 27th Street Business District Association, Inc. and to meet other ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South 27th Street Business District Association, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South 27th Street Business District Association, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South 27th Street Business District Association, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited South 27th Street Business District Association, Inc.'s December 31, 2023, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 5, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO THE FINANCIAL STATEMENTS

SOUTH 27th STREET BUSINESS DISTRICT ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS

NOTE A - Summary of Significant Accounting Policies

Organization

South 27th Street Business District Association, Inc. ("Organization") is a joint effort of Milwaukee Business Improvement District #43 and Greenfield Business Improvement Districts #1 and #2, dedicated to the enhancement and growth of the South 27th Street Business District between Oklahoma Avenue and College Avenue. The South 27th Street Business District Association, Inc. also does business under the name of "Historic Route 41."

Milwaukee Business Improvement District #43 was created by the Common Council of the City of Milwaukee pursuant to Wisconsin statutes to sustain the competitiveness of the area along South 27th Street from Oklahoma Avenue on the north to College Avenue on the south, including properties along the Kinnickinnic River Parkway, and to ensure a safe, clean environment conducive to business activity. Greenfield Business Improvement Districts #1 and #2 were created by the Common Council of the City of Greenfield pursuant to Wisconsin statutes to sustain the competitiveness of designated Greenfield areas and to ensure a safe, clean environment conducive to business activity.

Milwaukee Business Improvement District #43 and Greenfield Business Improvement Districts #1 and #2 are exempt from tax as affiliates of a governmental unit under Section 501(a) of the Internal Revenue Code. The business improvement districts would be reported under the reporting requirements of the Governmental Accounting Standards Board (GASB), however, the districts do not issue separate financial statements. Rather, the districts pass the tax assessment revenue directly to the South 27th Street Business District Association, Inc.

South 27th Street Business District Association, Inc. is a nonprofit, tax exempt organization under Section 501(c)(3) of the Internal Revenue Code. The financial statements of the Organization are reported under the reporting requirements of the Financial Accounting Standards Board (FASB).

Accounting Method

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Restricted Cash

Cash is reported as restricted when it is subject to restrictions on the use imposed by external donors or due to internal commitments established by the Organization. When expenditures that meet those restrictions are incurred, the Organization intends to use the most restricted resources first.

NOTES TO THE FINANCIAL STATEMENTS

NOTE A - Summary of Significant Accounting Policies (continued)

Accounts Receivable and Credit Losses

The Organization recognizes an allowance for expected credit losses on trade receivables. The expected credit losses are updated by management at each reporting date to reflect changes in credit risk since the financial instrument was initially recognized. The expected credit losses on trade receivables are estimated based on historical credit loss experience, aging analysis, and management's assessment of current conditions and reasonable and supportable expectations of future conditions. The Organization assesses collectability by pooling receivables where similar characteristics exist and evaluates receivables individually when specific customer balances no longer share those risk characteristics and are considered at risk or uncollectible. Accounts receivable balances are charged off against the allowance for credit losses after recovery efforts have ceased. The expense associated with the allowance for expected credit losses is recognized in bad debts expense.

Leases

The Organization recognizes operating and finance leases in accordance with the *FASB Accounting Standards Codification* (ASC) 842. A lease exists when an organization has the right to control the use of property, plant or equipment over a lease term. The lessee classifies a lease as either a finance or operating lease. The accounting of a finance lease is similar to when an asset is purchased. An operating lease is when the right-of-use of an asset exists over the lease-term, but that the lease doesn't meet the definition of a finance lease.

The Organization has elected to establish a threshold to exclude lease assets and obligations that are immaterial to the financial statements. The Organization recognizes individual lease assets and liabilities when they are greater than \$5,000. However, if the combined lease assets or liabilities for individually insignificant leases are greater than \$10,000 the Organization recognizes the lease assets and obligations.

The Organization has elected not to apply the recognition requirements in ASC 842 to short-term leases (those with a term of 12 or less months) and no expected purchase at the end of the term.

Functional Expenses

The Organization allocates costs directly to program and management when appropriate. Certain expenses are attributable to one or more programs or supporting functions of the Organization. Those expenses include contract services and professional fees which are allocated based on estimates of time and effort.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE A - Summary of Significant Accounting Policies (continued)

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increase net assets without donor restrictions. Conditional promises to give are not recognized until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated when the barrier is not overcome. Amounts received for which the donor has limited the use of the asset or designated the gift as support for future periods are considered restricted support and included in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. When the restriction on a contribution is met in the same reporting period as the contribution is received, the contribution is reported in net assets without donor restrictions.

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

NOTE B - Comparative Financial Information

The financial information shown for 2023 in the accompanying financial statements is included to provide a basis of comparison with 2024. The comparative information is summarized by total only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2023, from which the summarized information was derived.

NOTE C - Liquidity

The Organization maintains cash and cash equivalents on hand to represent approximately fifteen months of general operating expenditures. These balances are held in liquid bank accounts or other securities with maturities of three months or less. The total amount in bank accounts as of December 31, 2024, is \$289,572.

SOUTH 27th STREET BUSINESS DISTRICT ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE D - Concentration of Risk

The Organization receives property assessment income from the City of Milwaukee and the City of Greenfield. The Organization's operations rely on the availability of these funds. Approximately 70% of the Organization's revenue was from the City of Milwaukee and 30% was from the City of Greenfield for the year ended December 31, 2024.

The Organization maintains its cash balances at various financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2024, the Organization's uninsured cash balance totals \$39,572.

NOTE E - Deferred Revenue

The Organization received assessment income from the City of Milwaukee and the City of Greenfield to be used for Milwaukee Business Improvement District #43 and Greenfield Business Improvement Districts #1 and #2, respectively. The deferred revenue represents unspent funds from such assessments to be carried forward to future periods.

NOTE F - Leasing Activities

The Organization leases office space under an operating lease that was extended on January 1, 2023 and expires December 31, 2027. Lease expense was \$17,828 for the year ended December 31, 2024, including \$3,856 of common area maintenance charges. The Organization has elected to use the risk free interest rate as a practical expedient on operating leases for space. The following summarizes the line items in the statement of financial position which include amounts for this operating lease as of December 31:

	<u>2024</u>
Right-of-Use Assets – Operating Leases	\$40,175
Lease Liability – Operating Leases	\$39,298

The future maturities of lease liabilities consists of the following as of December 31, 2024:

<u>For the Year Ending</u>	<u>Amount</u>
December 31, 2025	\$13,680
December 31, 2026	13,680

NOTE G - Management Arrangement

Under an agreement with Rotella Executive Communications, LLC, the Organization is provided with management, strategic planning, financial services, and other necessary duties that are needed to maintain the Organization at an excellent level. Under this contract, which runs through January 31, 2026, the Organization agrees to pay an amount not to exceed \$66,000 annually with a minimum of 30 hours of director services commitment weekly.

A payment is submitted for \$5,500 on the first day of each month to Rotella Executive Communications, LLC. Total expense for the management agreement was \$66,000 for the year ended December 31, 2024. In addition, the Organization has prepaid for these services as of December 31, 2024, in the amount of \$10,000.

Future payments as of December 31, 2024, are as follows:

<u>Year</u>	<u>Amount</u>
2025	\$ 66,000
2026	5,500
Less: Prepaid amount	<u>(10,000)</u>
Total	<u>\$ 61,500</u>

NOTE H - Assessment Income

In order to provide revenues to support the Organization's mission, the Common Council of the City of Greenfield enforced an assessment on Greenfield property located within the South 27th Street corridor. The assessment is calculated based on assessed values of the properties as of every fall. The assessment levied on the South 27th Street corridor properties was \$.001 for every dollar of assessed property value with a minimum assessment of \$500 and a maximum assessment of \$1,500 per parcel for the year ended December 31, 2024. The total assessments received from the City of Greenfield were \$58,544 for the year ended December 31, 2024.

SOUTH 27th STREET BUSINESS DISTRICT ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE H - Assessment Income (continued)

In order to provide revenues to support the Organization's mission, the Common Council of the City of Milwaukee enforced an assessment on Milwaukee property located within the South 27th Street corridor. The assessment is calculated based on assessed values of the properties as of every fall. The assessment levied on the South 27th Street corridor properties was \$.001 for every dollar of assessed property value with a minimum assessment of \$500 and a maximum assessment of \$1,500 per parcel for the year ended December 31, 2024. The total assessments received from the City of Milwaukee were \$137,420 for the year ended December 31, 2024.

NOTE I - Advertising Costs

The Organization uses advertising to promote its programs among the audiences it serves. Advertising costs are expensed as incurred. Advertising expenses for the year ended December 31, 2024, were \$11,455.

NOTE J - Net Assets with Donor Restrictions

As of December 31, 2024, the Organization has \$64,258 of net assets with donor restrictions for funding safety program initiatives representing the South 27th Business District Association, the Gateway To Milwaukee and the Crisol Corridor.

NOTE K - Related Party Transactions

The Organization provided grants to board member companies totaling \$3,500 which are included in grant expense for the year ended December 31, 2024.

NOTE L - Income Taxes

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. Management has reviewed all tax positions recognized in previously filed tax returns and those expected to be taken in future tax returns. As of December 31, 2024, the Organization had no amounts related to unrecognized income tax benefits and no amounts related to accrued interest and penalties. The Organization does not anticipate any significant changes to unrecognized income tax benefits over the next year.

NOTE M - Subsequent Events

The Organization has evaluated events and transactions occurring after December 31, 2024, through April 2, 2025, the date the financial statements are available to be issued, for possible adjustments to the financial statements or disclosures. The Organization has determined that no subsequent events need to be disclosed.
