

Reply to Common Council File No. 001446

From DOA-Budget and Management Division

April 26, 2001

Ref: 010034 (02)

Common Council File 001446 contains a report from the Department of Employee Relations (DER) relative to classification studies scheduled for Fire and Police Commission action. The report recommends reclassification of one existing position. The report also contains the necessary salary and positions ordinance changes.

Police Department

Reclassify one vacant position of Chief Operator of Police Alarm, pay range 835, to Telecommunications Supervisor, salary grade 006. Over the past 10-12 years the Police Department has gradually civilianized the dispatch process. Civilianizing the position will achieve cost savings and will enhance the career ladder for existing civilian positions in the Communications Division.

The fiscal impact of this change will result in savings of \$5,345 in 2001.

RECOMMENDATION: WE DEFER TO THE RECOMMENDATIONS PROVIDED BY DER. IF THE COMMITTEE WISHES TO APPROVE THESE CHANGES, THE ATTACHED REPORTS CONTAIN THE NECESSARY POSITIONS AND SALARY ORDINANCE CHANGES.
