Re: Positions Ordinance Modification Relating to Fire and Police Commission  
Emergency Management Director Position

Dear Council Members:

This correspondence is a request to modify the Positions Ordinance to add the designation of footnote (X) to the position of Emergency Management Director in the Fire and Police Commission to provide the ability to pay a private automobile allowance pursuant to Section 350-183 of the Milwaukee Code of Ordinances. This position requires frequent travel in the Milwaukee area to manage Emergency Operations Center activities, to meet with City and County emergency management and public safety personnel to plan and coordinate emergency responses for events, and to participate in multi-discipline/multi-jurisdiction joint exercises, training sessions, and damage assessments.

Your favorable action is respectfully requested.

Sincerely,

Leon W. Todd  
Executive Director
