Please return this form to your County Highway Commissioner.

TERMS AND CONDITIONS:

1. The initiation and accomplishment of the improvement will be subject to the applicable State and Federal laws, rules and regulations.
2. The construction of the improvement will be in accordance with the appropriate standards unless an exception to standards is granted by the state prior to construction. The entire cost of construction projects not constructed to standards will be the responsibility of the municipality unless such exception is granted.
3. The municipality will assume all responsibility for complying with germane environmental requirements for the improvement.
4. The work eligible for state participation will be administered by the municipality. The authority for the state to delegate this responsibility is described in TRANS 206.03(10), Wisconsin Administrative Code.
5. All contracts will be let by competitive bid and awarded to the lowest responsible bidder in accordance with the provisions of s.86.31.
6. State financing will be limited to 50 percent (%) participation in eligible items or to the limit approved for the improvement, whichever is less.
7. State payments will be made after the improvement is complete and upon receipt of a state form requesting reimbursement.
8. The municipality will keep records of the cost of the improvement together with letting documents and will have them available for inspection by representatives of the state and will furnish copies thereof when requested.
9. The design and construction of the improvement must be certified by a registered professional engineer if the cost of the improvement exceeds \$50,000.
10. Federal Single Audits of Local Government Units:
 - a) The municipality shall have a single organization audit performed by a qualified independent auditor if required to do so under federal law and regulations. (See Federal Circular No. A-128, Section 4.)
 - b) This audit shall be performed in accordance with federal Circular A-128 issued by the federal Office of Management and Budget (OMB) and state single audit guidelines issued by the Wisconsin Department of Administration (DOA).
 - c) The municipality will keep records of costs of construction, inspection tests and maintenance done by it to enable the State to review the amount and nature of the expenditure for those purposes. Such accounting records and any other related records shall be subject to an audit as directed by the Department within eight years.
11. The municipality will maintain, at its own cost and expense, all portions of the project that lie within its jurisdiction and will make ample provision of such maintenance as long as the road remains open to traffic.
