Subject: Historic Designation for the "Mecca"

Dear Alderman Bauman,

I share your concern about the intent of the recent study of how best to use the property occupied by the Miller High Life Theater and the "Mecca" arena.

I am especially concerned about the Mecca Arena. As you have stated this facility is consistently in use by a wide range of teams & activities.

It make little sense to consider tearing it down. Downtown needs more activity not less.

Even on game nights at Fiserv the Deer District isn't very busy, so maintaining venues that provide traffic for the area should be the priority.

(I'm MU season ticket holder & attend Bucks games too)

Just want you to know that you have my full support to maintain the Mecca Arena "as is" and designate it as a historic building.

Thank you for your service,
John Brennan
