INSTALL NO PARKING ON THE WEST SIDE OF
NORTH 32ND STREET FROM A POINT 655 FEET

Dear Alderman Hamilton:

This is in response to your request on behalf of Bishop's Creek Apartment Complex located at 4765 North 32nd Street to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that apartment residents exiting their parking lot have a difficult time seeing traffic traveling southbound on North 32nd Street when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderman Bohl:

In conjunction with the newly constructed bio-swales on the island at the intersection of West Auer Avenue and North 85th Street, the above-captioned parking restrictions are needed to insure that passengers from motor vehicles do not exit their vehicles next to the bio-swales, which could result in a passenger falling down due to the incline of the bio-swale. The necessary legislation will be prepared for consideration at the next Public Safety Committee meeting to install the above-captioned parking restrictions.
