*BROWN, Tremaine J, Agent for "Ultra Lounge, LLC", Class B Tavern and Public Entertainment Premises License Renewal Application With Change of Shareholder Requesting to Close at 2:30 AM Fri-Sat Instead of 2 AM Fri and 2:15 AM Sat and Food Dealer - Change of Shareholder for "Ultra Lounge" at 628 N Water St. (Expires 1/21/2015)*

*The applicant states that on April 20, 2014, the valet was supposed to work only for Ultra Lounge but they also served 618 Live. The valet was also supposed to move down the block per a request from the police, but did not do so on the night of the incident. The crowd from 618 Live got into a fight in front of the building, so the item was placed on Ultra Lounge's police report. The incident with individuals on premise after hours was a mistake. In regards to item #4 on the police report, two individuals began fighting and security broke them up. The security guard had to pick up person and bring him outside. In regards to item #5, there was a fight outside, but because closing times were not staggered it is unclear where the individual involved came from. In regards to item #6, a fight started outside and security held the individuals involved until police arrived. In regards to item #7, patrons of 618 Live had been fighting, were removed, and began fighting outside. One individual involved may have come from Ultra Lounge. The applicant has met with the police department. He has purchased an ID scanner, but it hasn't been used yet as the entrance to the establishment will need to be reconfigured to accommodate the scanner. The applicant agreed at a meeting with the police department to have staggered exit times from 618 Live. Since staggered times have been implemented, there have not been any fights outside. In regards to item #9, two individuals who had come to the establishment together began fighting. Security guards broke up the fight and the applicant called police. One of the individuals left immediately. Regarding item #9, the underage individual who gained access used a fake ID and the security guard was fired as a result. The applicant is working on paying for fines related to item #11. In regards to item #12, the business was getting ready to shut down and people taking a picture together began fighting. A security guard needed to physically remove the person and a window was kicked during incident.*

*They have contacted police and other establishments for advice and have had no incidents in the last two months. The establishment does have a banned patron list. They initially had internal security with 2 guards at the door and 4-5 inside. They have increased security to 8 inside and 3 outside.*

*He states they have not accused 618 Live of anything and are not in competition. He states that security escorts patrons to cars, but they are in plain clothes and they do not have as many guards as 618. They have had some learning experiences and know that improvements need to be made. There is a dress code with no baggy clothes or hoodies.*

*Appearing with the applicant:*

*David Hinton - 422 E Pleasant - He states that after the police incidents and meeting with the police department, they have started letting out at staggered times from 618 Live. The establishment has cameras at the entrance, but the business is not currently set up to have the ID scanner at the entrance. They are working on resolving the issue.*

*Ald. Bauman present at the table. He states that the initial application was for a lounge that serves a different market than 618, yet they are competing with 618. A license was initially issued despite some concerns, and the concerns have come to fruition. There have been 11 police incidents in one year of being open.*

*Individuals appearing:*

*Captain Thiele - In the June incident Mr. Hinton stated he was the owner and had people in the bar after the closing time. Last year the applicant stated at committee that the business would close 15 minutes prior to 618. There was a large fight on October 4th that required many personnel. The police department has met with both owners because it was unclear which patrons were involved in the fight. At the meeting, the applicant agreed to buy an ID scanner, have staggered closing times, have a common banned list, and have communication with security guards between the establishments. The establishment hasn't been escorting patrons to parking areas. Ideas brought up at the meeting had also already been discussed at the previous committee meeting. On November 19th a minor with a fake ID had been turned away at 618. The fake ID indicated an age of 21, but the individual gained entry to Ultra Lounge despite the 23+ age restriction.*

*Sgt. Ackley - At the meeting with Ultra Lounge and 618, there was a discussion regarding cohesion between security units. There was cohesion at first, but it deteriorated a month later. Closing times weren't being staggered. 618 has kept its closing time, and he can't determine if Ultra has a standard closing time. 618's customers usually park a block or two away and security walks them to parking lots. He has not observed Ultra Lounge helping customers to the parking areas. They have offered assistance in front of the establishment, but not to parking areas. Outside security footage can only be obtained by contacting the building owner and it is difficult to reach him. He is not aware of any dress code at Ultra and hasn't seen any signs posted. 618 has a database from their ID scanners, but there is a lack of communication between clubs. He is concerned about after hours activity, though hasn't observed any issues for a month. About a month ago there were still patrons a minute before closing time. Curtains covering the windows were added about a month ago. He has not seen any signage indicating the age restriction.*

*Individuals appearing in support.*

*Tiffany Campbell - 2422 W Roosevelt - She has just begun helping with the operations of Ultra Lounge. There has been a disconnect in communication between the the Ultra Lounge and 618 because there is business competition. She witnessed item #12 on the police report. She called police, but Mr. Manjee from 618 had already called police. Curtains were placed in the window to help draw in customers. The curtains are opened if there are already patrons on the premises. There is a kitchen on the premises.*

*Alexander MaCavene - 8525 W Helena - He is a patron of the establishment. He states the applicant and Mr. Hinton take his input into account as a customer. He states if there is an argument, security and management step in to find out the details of the situation.*

*Samantha Lynn Bigsharp - PO Box 51073 - She states the establishment is the only lounge on Water Street that caters to an urban crowd. She states it is a mature crowd and she feels safe in the establishment. She states Mr. Brown and Mr. Hinton can sit on the second level of the establishment to monitor the crowd. She also agrees with previous speakers.*

*Kyle Allen - 4181 N 19th Pl - He is a patron and states there is a diverse crowd with good music, poetry, and live jazz.*

Hamilton at the table - people waiting at the bus stop discard litter from this establishment, so he would like the business to clean up a greater area of litter and there are also other businesses operating on the premises in the evening, such as individuals loitering and selling in the parking lot. He would like improved communication with his office.*

*Atty Jason Luczak present with the applicant.*

*Obiari Obi also present.*

*Ald. Hamilton at the table - the establishment lost its license, but has made a quick turnaround. It was given a second chance and since July it has demonstrated it can operate as a responsible business. A number of neighbors did contact him about their concerns about reducing the age restriction to 21. He supports amending the application to 23 and allow some time for them to operate through a full summer. Per the attorney, there have been three special-use permits for which there have been no incidents. The age restriction has resulted in fewer patrons because it is difficult to have special events, such as rehearsal dinners, as well as large groups in which only one person might be under 25.*

*Milwaukee Police Sergeant Eileen Donovan-Agnew -- the department thinks it's too soon to determine anything, although it's been pleased with the decreased police calls and the increased communication with the facility.*

*The licensee said that if he starts to experience problems with the age of 23, he will amend his application to go back to the age 25 restriction.*

*Grant, by Ald. Stamper, to age 23 and up.*
