Re: File No. 0302175 Special Campgrounds

Dear Council Members:

The proposed ordinance charges, as submitted to our office, will in effect, change the application requirements for all festivals, not just special event campgrounds. The placement and wording of proposed 261-103-5-b-5 would require all festivals and special campgrounds to file a site plan and written plan of operation with their applications. After talking with Department of Neighborhood Services, it was determined that the intent of the proposal is for only special event campgrounds to include this requirement, not all festivals. A simple wording change to "Special Event Campground Applications must also include a site map and written plan of operation" will reflect the intent of Department of Neighborhood Services.

Very truly yours,

GRANT F. LANGLEY  
City Attorney
