Dear Mr. Leonhardt;

This letter is to notify the City of Milwaukee that Curtis-Universal Ambulance is interested in continuing our participation in the City of Milwaukee Emergency Medical System serving our current zone which is listed as Service Area # 3, under the ambulance service plan which is being extended through the year 2006. If this is considered a new service plan, we are still interested in continuing to serve area # 3.

This letter is being sent to you for clarification, even though ambulance certification has not yet been completed, as required under ordinance 75-15-13, B-1.

If you have any questions, please feel free to contact me at my corporate office at 276-7711.

Sincerely;

James G. Baker Jr.
C.E.O.
