REDACTED RECORD

You don't often get email from

On Friday, April 29, 2022, 09:41:22 AM CDT,

I am in Milwaukee Wisconsin object to granting the applicant
Gnasmine S Seamter a Class A Liquor & Malt and Food Dealer- Retail Convenience License, because she applied and
was granted a occupancy permit to have a retail boutique now she's changing the reason to having a liquor store
basically. My objection is because we have a liquor store on 37th and Fond Du Lac, a convenience store on 35th and
Fond Du Lac, and other corner stores on 38th, 39th, and 40th Burleigh. There is already issues with trash, rodents,
panhandlers and robbery. We need to put money and energy in fixing these issues over here before adding another
convenience store/ liquor store at 3057B N 35th st. How many convenience/liquor stores does one neighborhood need.
Money should go into positive and uplifting things for this neighborhood. This neighborhood has been taken advantage of
enough by business owners who only want the money but don't care about the actual people in the neighborhood. The
people applying for the license hasn't been true to the neighbors from day one they prematurely before being granted the
occupancy permit were having gatherings in the early evening and parties at night. I have videos and pictures if they deny
what I'm saying, I've also reached out to the licensing bureau to find out if they should legally be occupying the premises
at those times and was told they were illegally there. I also had District 7 go out several times. I'm in objection because
what will they violate if granted the license.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This location was still in the process of being set up when I conducted this CPTED. At the time of the CPTED the windows were covered, therefore I could not see inside from the outside. However, if the window coverings are removed I would have been able to see the employees inside from the outside.

Also, there were not no loitering signs posted at the time, but I was advised that they would be putting them up soon.

At the time of this survey there were no security cameras. However, Chasmine advised me that they ordered five security cameras and that they would be putting them up as soon as they arrived. She planned to have two on the exterior of the building and three on the interior. One on the interior would cover the front door and one would cover the register area. Chasmine stated that she would be the only one that would be able to retrieve video, not her employees. Also, she stated that the system she ordered would keep video until storage was full and then would overwrite the oldest video.

Chasmine also stated that she does not plan to use a safe at this location. That if she got too much money in the register she would be taking it to the bank.
