To the Honorable, the Common Council

Dear Honorable Members:

We are submitting for your consideration the attached resolution authorizing the Commissioner of Public Works to reduce the public way occupancy fees chargeable to the developer of a planned housing complex to be located in the block bound by North Jefferson, East Chicago, North Jackson and East Menomonee Streets. The proposed development meets criteria established by Common Council File No. 010357 and is thus eligible for a 50% fee reduction (up to a maximum benefit of \$50,000) upon approval by the Common Council.

Please have this file introduced at the July 17, 2001 Common Council meeting. If you have any questions or would like any additional information, please contact Thomas Miller at extension 3304.

Very truly yours,

Mariano A. Schifalacqua
