Subject: Alley parties

Jose,

Summer has arrived the alley parties behind the Baber shop begin. Friday night around 8pm I came back to our lot to pick up my car and our lot was filled with about 8-10 cars that did not belong to our employees. But the alley was in full party mode. Most people with cups, cans, bottles and many small children running around. Cars also parked up and down the sides of the alley.

I called the local precinct to report and have them do a check. When the Police officer called me, I felt that he conversation with me was way out of line. Telling me that this type of Barber shop parties are fully acceptable in the neighborhood. He was out of line in his responses to me. And

went on to ask, " where I lived"? I told him that it was Irreverent "where I live". I understand private social activities, but they should not encroach upon public or other people's private property. He was rude.

What can I do? Speaking to Philippe does not work nor does it seems to be an option.

Thank-You,

Subject: Objections to new license - 817 W. National Ave.

You don't often get email from [Learn why this is important](#)

Hello,

I live on the same block as 817 W. National Ave and I am opposed to the new licence of Customers Only MKE LLC. I am in the , the region's level one trauma center. A requirement of my duties is that I am on call during the overnight shift at least once a week. When I am called in due to an emergency or mass casualty situation (like we just saw with the tragedy in Waukesha) , I have 30 minutes to get to the hospital and the only way into or out of the alley is past the proposed entryway into Customers Only MKE LLC establishment.

The applicant already shows no regard to blocking the alley when they are only the barbershop Flip 'N Styles now. As this is my only way to and from my garage, I have already been blocked in and out and had to go find someone to move the cars. This will only escalate if they are allowed to go forward with their plans for a bar/nightclub. Along with the cars, they do have a large amount of trash in the alley too. I have seen furniture and other large items just pile up and sit in the alley for weeks. The dumpster that they have also has been jutting into the alley way for just about 9 months now. Does the applicant have a plan to handle the extra alley traffic that Customers Only MKE LLC will bring to the alley that 3 families depend on as their only way to and from home?

I am also concerned about the potential violence that having Customers Only MKE LLC bar/nightclub could bring to the block. Just a few weeks ago there was a shooting at the barbershop, Flip 'N Styles that sent two people to the hospital. After that shooting I watched from my living room window as the EMTs, MPD, and MFD closed down the street, secured the area and brought the two victims out. This all happened at 6:00 p.m. in the evening, imagine the kind of trouble there will be at midnight after some drinks have been had. Does the applicant have a plan to address the risk of violence the Customers Only MKE, LLC could bring to the block?

The last opposition I have is that having a bar/nightclub in the block will bring increased noise. As a in the c my shifts on the weekends start at 6:30 am, and on occasion 3:00 am. I have already been awoken by noise that has come from their parties. Adding a Customers Only MKE LLC bar/nightclub to the mix will just bring yet even more noise and disruption to our block. Would the applicant be

taking any precautions to minimize the noise and disruption that will come with people coming and going at all hours of the night?

Objecting neighbor,

Subject: Opposition to license for 817 W National Ave.

Hello -

I'm a resident on the block (effectively down) from 817 W. National Ave. and I strongly oppose the new license for CUSTOMERS ONLY MKE LLC. Here's why:

- As a resident, I've seen they already have opened, despite the lack of license — throwing “parties” for a while.
- The place is a barbershop already — they'd be doing this in the back of the barbershop, making the alley a common way to get in or out of the establishment.
- The alley itself has only one exit point past the proposed location. The applicant already has no care that they block the alley — they have a dumpster that we have to drive around, and often cars that park there, forcing us to find someone and ask them to move. They have piles of trash — usually a couch or some other pieces of furniture.
- With their parties, all kinds of people park in the alley, blocking it. This will get worse.
- The noise level is already an issue for these parties.
- Not being able to leave our house or let a firetruck into the alley would be very difficult for the 3 families that rely on that one-exit alley.
- As a barbershop, they've already had a bit of a violent past, including a shooting weeks ago that included a barber and customer as victims.
- As a barbershop, they've brought an endless amount of customers who leave their unusually touchy car alarms engaged, and park right out front of my business. National Ave is famous already for motorcycles and loud vehicles rushing by setting off all the alarms. This makes phone / zoom calls impossible. We've asked their

customers to stop, but they won't. We can only imagine how this will be at night. The barbershop has done nothing to solve this.

A license for this kind of establishment will absolutely affect the safety of my block. Please let me know anything else you might need.

The applicant stated he was not serving alcohol but the party had carried in its own beer. There was music playing and subjects dancing. The applicant was cooperative with the officers.

Items #2 & 3 heard at 12/03/2019 meeting for Change of Entertainment

=====

4. On 01/29/21 at 11:00pm, Milwaukee Police, along with an Environmental Health Specialist, conducted a license premise at 626 S. 5th Street. Officers and the specialist observed patrons not practicing social distancing, not wearing masks, and standing/dancing. The specialist said he will be issuing three citations. The applicant was cooperative during the investigation. (no citations were found regarding this incident).
5. On 06/09/21 at 1:44am, Milwaukee Police, while on patrol, observed a huge crowd and approximately 80 vehicles blocking traffic at 626 S. 5th Street. While on scene, officers observed patrons walking in traffic, vehicles blaring loud music, and motorcycles operating on the sidewalk. Security staff told officers that there were several subjects brandishing firearms outside the tavern and one of the first squads on scene had trash/debris throw at the wagon.
6. On 06/16/21 at 12:40am, Milwaukee Police were dispatched to 626 S. 5th Street for a shots fired complaint. Upon arrival, officers observed approximately 20 people running away from the location and speeding off in their vehicles. A security guard was interviewed and he told officers that there was a "scuffle" inside the tavern and they got the people involved out of the business, but there were no shots fired. Officers attempted to talk with the manager but she was extremely uncooperative and stated that she did not hear or see a fight. All other security guards said they were not inside the business and did not see anything.
7. On 10/05/21 at 10:15pm, Milwaukee Police, while on patrol in the 200 block of W. Virginia Street, heard several gunshots coming from the southwest of their location. Squads went to investigate the shots fired and were flagged down at S. 5th Street and W. Bruce Street who informed police that someone had been shot outside 626 S. 5th Street. Investigation revealed that the incident appears to be a road rage incident between two vehicles and the victim of the shooting was eating food on the patio of the tavern and was not involved in the argument. The applicant was cooperative during the investigation and provided video footage to officers.

=====

This report is written by P.O. Kevin VODICKA assigned to District Two, Community Prosecution Unit. On Monday, February 7, 2022, at 10:30 AM, at District Two, located at 245 W Lincoln Av, Captain Pat PAJOT, SGT. Rochelle FRIEDRICH, P.O. Matthew DIENER, A.C.A. Heather HOUGH and I met with the licensee of Walker's Lounge, Felipe MARTINEZ,

and his attorney, Chris HAYDEN, regarding general concerns around the premises.

The meeting began with introductions and a summary of recent license premises reports for Walker's Lounge. The licenses for the premises had been renewed with a suggested ten (10) day suspension.

The following items were then discussed:

Parking - Officers brought up concerns from the Our Lady of Guadalupe Parish regarding patrons/staff parking in the church's parking lot. MARTINEZ stated that this has been resolved and the lot is no longer used. Officers brought up the large volume of "Entry to Autos" complaints in the area and that firearms are often the target. Officers suggested that the tavern make an effort to educate their customers to leave their firearms at home, instead of in their parked vehicles. MARTINEZ stated that the premises has a parking lot for approx. 25 vehicles and that it is monitored by security staff.

Security - MARTINEZ stated that in addition to security in the parking lot, there are male and female security officers that check and take pictures/scans of identification for patrons. MARTINEZ stated that the security also conducts searches of patrons as they enter. MARTINEZ stated that the security will also monitor the exterior of the building at bar close. MARTINEZ stated that he will dress similar to security and monitor the premises during business hours. MARTINEZ stated that he typically closes between 2:00 am - 2:15 am, but will close the business early if he gets a sense that tensions are rising amongst patrons. Officers suggested that security attempt to monitor areas where patrons park their vehicles. MARTINEZ stated that he is in discussions with other tavern owners in the direct area to contract for a shared security vehicle to monitor the area during bar time in an attempt to reduce vehicle break-ins. MARTINEZ stated that he has purchased two additional exterior cameras and plans on installing them at the alley rear of the location.

Promoters - MARTINEZ stated that he has and will continue to use promoters, but that they have to conduct themselves according to his rules and that his security is present for events.

General - MARTINEZ stated that he recognizes the demographics/needs of the neighborhood are changing with the construction of a six-story residential building across the street and that he may need to change his business plan to meet those needs/wants. Officers urged MARTINEZ to reach out to neighborhood groups. MARTINEZ stated that he was interested in the possibility of partial street closures during busy tavern hours and was instructed to contact Ald. PEREZ. Officers and MARTINEZ also discussed the possibility of a shared "traffic plan" with other taverns in order to ease congestion at and around bar

INITIAL INVESTIGATION

Arnold, Quentin C 029412

03/06/2022

This report is being written by Police Officer Quentin ARNOLD assigned to District Two, Late Power Shift, Squad 2488, partnered with Officer Antwan POWELL.

On the date of 3/4/2022, while patrolling the District Two Walkers Point area my partner and I observed several construction cones in front of the address of 626 S. 5th Street. These cones were being used to save parking spaces in front of the tavern WALKERS LOUNGE. My partner and I recorded the cones in front of the business and conducted a tavern check regarding. While inside we spoke to several employees of the tavern who we notified that they are not able to block parking spaces in front of the establishment and that it is an infraction. I requested to speak to a manager or MARTINEZ who operates the tavern but, no manager was available at the time. After speaking to the employees we exited the tavern and observed workers moving the cones out of the street to allow proper parking that is no longer controlled by WALKERS LOUNGE staff members.

On the date of 3/6/2022 I returned to 626 S. 5th Street to follow up and attempt to speak with a manager. Once we entered inside of the tavern I spoke to CHAIREZ, Crystal (F/W, 9/30/1985, 3505 W. Pierce Street, 414-852-3283). CHAIREZ stated she was currently the operating manager of the tavern and that MARTINEZ left prior to our arrival. I asked if CHAIREZ was aware of the construction cones blocking the parking lane and that the tavern could not block parking spaces and or charge patrons for that. CHAIREZ stated that bar staff notified her of our past tavern check and it would not occur again. CHAIREZ also stated that MARTINEZ is aware. Upon this tavern check I did not observe any cones blocking parking spaces in front.

Both times my partner and I entered the tavern the staff was cooperative. The licenses were posted in a open area and were observable. The licenses posted were last years but, when asked they said the city has not mailed the new ones yet. My partner and I then checked online and verified that everything is up to date.

INITIAL INVESTIGATION

Powell, Antwan D 029455

04/23/2022

This report was typed by P.O. Antwan POWELL assigned to District 2, Late Power squad 2488.

On Saturday, April 23, 2022 at approximately 1:14AM squad 2488 was patrolling the 600 block of S. 5th St which is located in the City and County of Milwaukee, WI, when I was flagged down for a trouble with subject that stemmed from the address of 626 S. 5th St (Walkers Lounge). The unknown female stated that her boyfriend (unknown male) got into a physical altercation with the security at the Walkers Lounge. She stated that the security guard had punched her boyfriend after they had forcibly removed her and her boyfriend from the bar. I attempted to gather their information regarding this incident but the unknown female and her boyfriend refused to give their information and left after giving their initial statement.

I spoke to the head security Javier P. SANDERS (M/B 01-17-1986) who stated the subjects that were complaining were inside the bar and started to argue with another group of individual inside the bar. SANDERS stated he then removed the first group, then waited ten minutes to remove the second group. SANDERS stated that he then began to remove the second group, the unknown female and her boyfriend, and when they got outside the boyfriend began to push and shove him, which he then struck him one time in the face prior to officers arriving. SANDERS stated that the unknown female did spit on him and I observed that he was using napkins to wipe liquor off of his shirt.

I also spoke to Felipe MARTINEZ (M/W 04-181984) who confirmed SANDERS's story and added that when security attempted to remove the second group they began to argue with them and pouring their drinks onto the floor and onto security. MARTINEZ stated that once he observed that the issue had evolved he ordered everyone out of the bar and closed down.

I also spoke to Andre A.D. GREGORY (M/B 11-16-1997), who confirmed the story. Upon me arriving to the scene I observed GREGORY attempting to deescalate the situation and attempting to separate the party from the security. GREGORY stated that the unknown male had left then comeback when he started to argue with SANDERS and began pushing him. It should be noted that after the bar had clear out, GREGORY was arrested due to the fact that he had an open and active warrant with the Milwaukee Police Department.

Licenses were visible upon entering the bar and all staff were co-operative.

On Friday, August 19, 2022, at approximately 3:00pm, Gianni ERBY (B/M 6-18-1983) walked into the Milwaukee Police District 7 Station, located at the address of 3626 W Fond Du Lac Ave, to report that his firearm had been stolen. ERBY stated that he parked his vehicle outside of Walker's Lounge at the address of 626 S 5th St. ERBY stated that he noticed at approximately 12:01 AM on August 19th, that an unknown individual had broken the rear passenger window of his 2014 Chevrolet Impala, with WI auto plate AJE6124, and took the firearm he stored under the front passenger seat. The firearm is a Black Taurus G3C 9mm pistol, with serial number # ACL508638. By the time ERBY reported his firearm stolen, the window had been repaired and all glass fragments removed from the vehicle.

ERBY did not consent to anyone taking his firearm. ERBY did not seem to care about the broken vehicle window.

Approximately 5 photos were taken at the District Station regarding.

I went to Walker's Lounge, the bar that ERBY was visiting, which is the reason his vehicle was parked in the area. I checked with security to see if I could find any record of ERBY being there. I spoke with security, who stated that it would be better to call tomorrow due to issues regarding their computer system.

On Saturday, October 1st, 2022 at approximately 1:00 A.M. Squad 2368 Officer Jimmy MORALES-COLON and I were patrolling the following block of 600 S. 5th St., located in the City and County of Milwaukee. We observed approximately 4 vehicles parked in the N/B lane of traffic on S 5th St., in front of Walkers Lounge MKE. I asked a employee of Walkers Lounge MKE., who was wearing a "Security" shirt what was going on with all the vehicles parked in the street obstructing N/B traffic. He stated they were subjects who had already paid for parking and he was trying to make room for them in the parking lot. This caused a traffic jam between W Bruce ST., and W Pierce St., on S 5th St. The traffic jam on the street, creating a bottleneck for traffic traveling north and south on S 5th St. The vehicles that were parked in the street, in the lane of traffic were parked turned off, with all lights on the vehicle off. A Orange Corvette was also parked on the sidewalk in front of the parking lot to the north of Walkers Lounge MKE.

Squad 2330 (P.O.SOSA JR. and MUNIZ), were dispatched to our location to assist in blocking traffic N/B on S 5th St and W Pierce St. We were able to clear up the traffic jam and have security move the parked vehicles off the street.

The owner/agent of Walkers Lounge MKE is Felipe MARTINEZ(W/M 04/18/1984).

This completes my report.

LICENSED PREMISES REPORT

414-933-4444

Case #:230110071

to Squad 2166, I met with licensees or representatives of Walker's Lounge (Felipe MARTINEZ), Snifters, (Julio MALDONADO), Hex (property owner Larry PACHEFSKY), and Hamburger Mary's (Ashley WRIGHT) and Walker's Point Association President, Simmi URBANEK, at Arts @ Large, located at 1100 S 5th St, in order to discuss common problems between the taverns on S 5th St and to work together to find solutions that would benefit the customers, residents, and taverns.

Attendees discussed the issue with thefts from motor vehicles, patrons being allowed to leave taverns with food/alcohol, traffic flow, noise, littering and other nuisance behavior of patrons departing businesses. Attendees were reminded that the behavior of patrons after they have left a tavern is reflective upon the tavern and that patrons should be monitored after leaving the tavern.

Attendees discussed the issue of parking and traffic flow on S 5th St at close of business. It was suggested that the taverns share closing time information with each other so that a tavern(s) that is not busy on a particular night could close earlier in the night to allow the busier tavern that night to have space to let customers out. Attendees were encouraged to contact the City of Milwaukee to have a traffic study done and to possibly limit the flow of traffic in the area (S 5th St and surrounding east/west streets) to limit traffic congestion.

Attendees discussed sharing security personnel/and/or knowledge in real time related to ejected or troublesome patrons so that a patron could not be ejected from one tavern and simply enter another in the area. Attendees also discussed the possibility of hiring off-duty MPD officers to patrol the S 5th St area as an "extra-duty" assignment. Attendees stated that they were generally content with MPD's current presence level in the area.

Attendees also discussed the idea of bringing back the "S 5th St Festival" in 2023.

INITIAL INVESTIGATION

Hernandez Flores, Victor 035684

01/01/2023

This report is written by Police Officer Victor HERNANDEZ-FLORES, assigned to District Two, Late Power Shift; Squad 2423

On Sunday January 1, 2023, at approximately 2:48am, Officers were dispatched to 626 S 5th St (Walkers Lounge Bar), which is in the City and County of Milwaukee, for a shooting complaint.

INVESTIGATION:

Upon arrival officers observed the first victim, Breonna L. LOVETT (B/F, 12-07-95) exiting the bar stating she was shot. Officers located a graze wound on LOVETT's left side. The second victim, Jawuan J. TUNSTALL (B/M, 4-27-96) was located inside of the bar with a gunshot wound to his right thigh. Both victims were transported to Froedtert Hospital by MFD.

According to statements made by witnesses and the owner of the establishment, there was a fight between two groups of people inside of the establishment. The fight turned physical and then shots were fired. There was one brass spent casing located inside of the establishment, and three spent casings located on the sidewalk directly in front of the establishment.

Our investigation revealed that security detail failed to prevent firearms from being brought inside the premise as there was one brass spent casing recovered from inside the establishment and a witness stating that she observed a subject retrieve a firearm from the subject's waistband and discharge it inside the tavern

WITNESS INTERVIEWS:

Felipe Martinez Jr (w/m 04/18/1984), owner of the establishment, stated that he was standing at the west side of the bar. MARTINEZ stated he observed a male subject come up to the bar to get a drink. MARTINEZ stated that another subject then grabbed the patron to get a drink and a fight begins with other subjects jumping in. MARTINEZ stated that as he and his staff were putting the subjects out of the bar someone started shooting outside. MARTINEZ stated that the patrons began running back into the bar. MARTINEZ stated the subject began running out of the back door. MARTINEZ stated that he did not see the person shooting. MARTINEZ stated he did not know anyone inside the lounge fired any shots until he was told by the police.

Aricelys MEDINA (w/f, 09/07/2003), a bottle server at the establishment, stated that a black male who was in the middle of the bar at table, removed a firearm MEDINA believes either from his ankle or waist area, and began to fire shots. MEDINA couldn't tell if he was firing shoots in the air at the time or at someone, but the unknown male did point the gun in her area as her uncle grabbed her out of harm's way. MEDINA stated that the black male along with his friends ran out the northeast exit onto the

parking lot. MEDINA described the shooter as a b/m, 5'10", med 20's, slim build, with dreads, wearing a long sleeve white shirt with a red Bape symbol on the front, wearing blue jeans.

Breonna L LOVETT (b/f, 12/07/1995), gunshot victim, stated that she was at the club for approximately 20 minutes, ordered a drink and heard people fighting in the club. LOVETT stated she then started running and heard anywhere from four (4) to 10 gunshots and fell to the floor. LOVETT stated she arrived at the club with her cousin Tianna JOHNSON between 2:00 and 3:00 am. when they entered the bar. LOVETT stated that they went to the bathroom and then headed to the bar and ordered some drinks. LOVETT then said while they ordered and paid for their drinks she could hear arguing and fighting in the background. LOVETT stated that people started to throw chairs in the bar, and she started to run to safety. LOVETT stated that when she made it to the end of the bar, she heard over 10 gunshots and then fell to the ground. LOVETT stated that she immediately felt pain in her butt and knew she had been shot. LOVETT stated she didn't see who was shooting.

FOLLOW UP WITH OWNER:

On 01/06/23 a follow up interview with MARTINEZ was conducted. MARTINEZ stated that on the day of the incident he hired Elite Protection Detail for security he stated he had approximately 5 - 6 security guards working for him that night. MARTINEZ stated that since the day of the incident, he will no longer be employing the company since they failed to pat down patrons correctly.

MARTINEZ was extended an Axon invitation to upload footage of the incident, and since has not uploaded the videos. We will attempt to meet with MARTINEZ again and attempt to recover surveillance footage.

End of Report.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

The premise is located in an operating barbershop, near the rear of the building, which is owned by the applicant. The applicant stated that the venue is currently being used as an area for his workers to spend time recreationally and "play games". The location has a bar installed, pool tables and several sofas placed around the room, and a mini fridge stocked with beers and other beverages. There are also pizza ovens, nacho cheese machine, and popcorn machines behind the bar, along with a cash register and credit card machine. There's 2 entrances/exits that he plans to use. One is only accessed by walking through the barbershop, and the other door is accessed through the alley behind the building.

The applicant also explained that he wants to operate the bar through a membership system, where patrons can only use the premise if they sign up for an "appointment", and sign up to be a member of the bar, which allows the "member" special discounted drinks and Happy Hour promotions. The applicant said it be operate like a private club, but also open to the public, and

would like his patrons to be comprised of 90% of the people that he deals with through the barbershop. The applicant stated that he doesn't feel the need for security because of the appointment system he will utilize, and he can control who he allows into the bar. Also, the only separation differentiating the barbershop from the bar is a sliding "barn door" style door and another swing door.

Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
