28. [250212](#) Substitute resolution amending and restating a service and benefits agreement between the City of Milwaukee and Wisconsin Center District.

Whereas, The Board of the Wisconsin Center District (WCD) authorized a significant expansion, an increase in the Milwaukee County hotel tax and an extension of the food and beverage tax to include takeaway meals purchased in restaurants and convenience stores in 2020; and

Whereas, WCD's expansion doubled its footprint in the City with the subsequent completion of the project in 2024; and

Whereas, In recognition of the City's authorization for the expansion project, the City and WCD negotiated a Payment in Lieu Taxes (PILOT) agreement memorialized in a written agreement executed on August 1, 2020 found in Common Council file 191960; and

Whereas, The PILOT agreement provided, beginning in 2025, that WCD will make an annual payment to the City of \$1,000,000 for the first \$30,000,000 of net income, and an additional \$1,000,000 for every additional \$10,000,000 of net income above \$30,000,000; and

Whereas, Under the terms of that agreement, "net income" is defined as net revenue, less expenses and deducting capital expenditures, grants, bond premiums, amortization and before deducting depreciation; and

Whereas, Under the terms of the original PILOT agreement, the WCD shall make no PILOT Payment to the City any year the Districts audited financial statement demonstrates that the District not generate a net income of at least \$1,000,000 in the prior fiscal year; and

Whereas, Subject to the same net income criteria, the WCD agreed to remit to the City of Milwaukee a fixed payment of \$250,000 in May, 2022, \$500,000 in May, 2023, and \$750,000 in May, 2024; and

Whereas, Based on the definition of "net income" and "net revenue" contained within

the 2020 PILOT agreement, the WCD did not make the payment of \$750,000 due and payable in 2024, nor the \$1,000,000 payment due and payable in 2025, and has notified the City that it will not be making the payment of \$1,000,000 payment due in 2026, based on the District's 2024 financial results; and

Whereas, As a result of non-payments of vital revenues starting in 2024 and concerns over the prospect of future years yielding no payment, the approved Common Council resolution 230938 in 2023 which directed that the City Comptroller, the Director of the Department of Administration, a member of the Common Council to be appointed by the Common Council President and any other appropriate City officials seek to reopen PILOT contract negotiations with the WCD and to develop an amended PILOT agreement that provides the City with a more equitable and more reliable annual payment; and

Whereas, Representatives of the City negotiated the terms of an Amended and Restated Services and Benefits (S&B) agreement with the WCD to compensate the City for the service burden of the convention center; and

Whereas, The terms of the S&B agreement extracts language around net income and net revenue and provides for annual fixed payments consistent with Common Council resolution 230938; and

Whereas, The terms of this S&B agreement as described in the document attached to this resolution requires the WCD to compensate the City for the remaining term of the previous Payment in Lieu of Taxes Agreement with an annual \$500,000 payment beginning in 2026 and for each subsequent year's payment with increase by an annual inflationary adjustment of 2.5%; and

Whereas, The as part of the new agreement, the WCD has agreed to a good faith effort to support several City directed community benefits and the City has agreed to revised terms of air space lease rent payments for the District as found in Common Council file 250211; and

Whereas, Approval of an amended and restated Services and Benefit agreement on the terms and conditions described in the agreement herein would compensate the City for the service burden of the convention center now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the appropriate City officials are directed to implement the attached agreement.

[250252](#) Substitute resolution authorizing the issuance of up to \$275,000,000 of school revenue anticipation notes, and a purpose for Direct Loan Notes, for the purpose of financing the operating budget of the Milwaukee Public Schools on an interim basis. Whereas, Milwaukee Board of School Directors (the “Board”) has determined that MPS is temporarily in need of funds in the amount not to exceed \$275,000,000 to meet the immediate expenses of operating and maintaining the public instruction in MPS during its fiscal year commencing July 1, 2025 and ending June 30, 2026 (the “Fiscal Year”);

Whereas, the Commissioners of the City’s Public Debt Commission (the “PDC”) are authorized and directed by the City to determine and approve the final terms of the RANs;

Whereas, the City may use general obligation debt to temporarily provide revenue anticipation financing, and the City desires to refinance that general obligation debt with revenue anticipation debt; and

Whereas, resolutions 180864, 210940, and 221095 collectively authorize up to \$400,000,000 of Direct Loans outstanding from time to time (the “Direct Loan Notes”);

No approval of the Commissioners of the PDC is required for the issuance of the temporary financing. The amount issued to refund temporary financing for RAN purposes shall not count against the amount of RANs authorized to be issued. For budgetary purposes, the amount of RANs issued to refund the temporary financing shall be considered “refunding purposes”; and, be it

Further Resolved, the RANs shall be issued pursuant to the provisions of Section 67.12(1), Wisconsin Statutes, and the attached MPS Revenue Anticipation Note Resolution as follows:

1. It is hereby delegated to the Commissioners of the PDC the power with respect to the RANs to determine, approve, and carry out the final terms of the RANs, subject to the parameters set forth below.
2. The RANs shall be issued on or before March 1, 2026.
3. The RANs shall be sold at a price of not less than par and accrued interest thereon and shall bear interest payable semi-annually or at maturity and shall bear coupon rates not to exceed 7% per annum (on an aggregate basis), with an issue true interest cost not to exceed 5% per annum (on an aggregate basis).
4. The Commissioners of the PDC shall establish the due date(s) no later than December 31, 2026 and may establish call dates at par, for the RANs.
5. In accordance with authorization from the Board, that the Governing Body hereby declares that it irrevocably pledges as security for the repayment of the RANs and interest thereon, revenues of the School Operations Fund attributable to the Fiscal Year which are due MPS, in the Fiscal Year, and not yet paid as of the date of delivery of the RANs, and which are not otherwise pledged and/or applied.
6. The City shall covenant (on its behalf and on behalf of MPS) with the holders from time to time of tax-exempt RANs that it will comply with the provisions of Sections 103 and 141 through 150 of Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations of the Internal Revenue Service adopted thereunder, that must be satisfied in order that interest on said RANs shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code.

- Whereas, Section 66.1105(4) of the Tax Increment Law sets forth certain criteria that the Common Council of the City of Milwaukee (“Common Council”) and the Redevelopment Authority of the City of Milwaukee (“Authority”) must follow to create a Tax Incremental District (“TID” or “District”) and approve a Project Plan for a TID; and
- Whereas, Pursuant to Section 66.1105(4) (a) through (gm), Wisconsin Statutes, on May 15, 2025, the Authority conducted a public hearing on the Project Plan, designated the boundaries of the District and recommended that the District be created and submitted such recommendation to the Common Council for approval with a proposed Project Plan for the District (“Plan”), a copy of which is attached to this Common Council File; and
- Whereas, Under the provisions of Section 66.1105(4)(gm)4.a., Wisconsin Statutes, not less than 50 percent, by area, of the real property within a proposed TID must qualify as either a “blighted area” within the meaning of Section 66.1105(2)(a), Wisconsin Statutes; an area “in need of rehabilitation or conservation work” as defined in Section 66.1337(2m)(a), Wisconsin Statutes; must be suitable for “industrial sites” within the meaning of Section 66.1101, Wisconsin Statutes, and be zoned for industrial use; or must be “suitable for mixed-use development” as defined in Section 66.1105(2)(cm), Wisconsin Statutes; and
- Whereas, More than 50 percent, by area, of the real property in the District was found by the Authority to be “in need of rehabilitation and conservation work,” as defined above; and
- Whereas, The Plan contains statements and other factual information indicating that the improvement of such area is likely to enhance significantly the value of real property in the District; and that project costs directly serve to promote development of the District consistent with the purpose(s) for which the District is created under Section 66.1105(4)(gm)4.a., Wisconsin Statutes; now, therefore, be it
- Resolved, By the Common Council of the City of Milwaukee that it finds and

determines as follows:

1. The District is “in need of rehabilitation and conservation work” within the meaning of Section 66.1105(4)(gm)4.a., Wisconsin Statutes.
2. The improvement and/or development of such area, as hereinafter provided, is likely to enhance significantly the value of substantially all of the other real property in and adjoining the District.
3. Project costs relate directly to promoting development consistent with the City of Milwaukee’s (“City”) Master Plan and with the purpose(s) for which the District is created under Section 66.1105(4)(gm)4.a., Wisconsin Statutes.
4. The percentage of the aggregate value of the equalized taxable property of the District, plus the incremental value of all other existing TIDs, does not exceed the statutory maximum 12 percent of the aggregate value of total equalized value of taxable property within the City; and, be it

Further Resolved, That the District is created as of January 1, 2025, and that the boundaries of the District are approved as described and more precisely set forth in the Plan; and, be it

Further Resolved, That the Plan is approved as the “Project Plan” for the District and that the Plan is feasible, in conformity with the Master Plan for the City and will promote the orderly development of the City; and, be it

 - b. The City Clerk is directed to make notations on the tax roll for the District similar to those required to be made under Section 70.65, Wisconsin Statutes.
3. The District shall be designated Tax Incremental District No. 124(Harambee Home Ownership Initiative).

4. Relative to the \$2,850,000 Developer-funded contribution provided for in the Plan, a variance is authorized from the procedures of Common Council File No. 68-461-x, being the Guidelines for the Control of Capital Expenditures, and directs the City Comptroller to establish the appropriate accounts within the TID Project Account, No. 0336-1910-TD12480000, to appropriate tax incremental collections equal to the total required to repay the City contribution to the Developer, as provided in the Term Sheet for the District, in such amounts as set forth in the Plan, as shall be necessary to implement the Plan.

5. The City Comptroller is directed to establish all accounts and to make all appropriation transfers, upon request by the Department of City Development, for all revenue or expenditure activity under this resolution; and, be it

Further Resolved, That there is not sufficient tax incremental revenue available for street-paving projects within one-half mile of the District, therefore, per the requirement of Milwaukee Code of Ordinances Section 304-95-1, the Common Council waives the requirement to include such costs in the Plan; and, be it

Further Resolved, That the proper City officials are directed to enter into a Development Agreement for the purposes of implementing the Plan on terms substantially in accordance with the Term Sheet for TID No. 124, which is Exhibit 3 of the Plan; and, be it

Whereas, On September 25, 2018, the Milwaukee Arts Board determined that a new flag is necessary; and

Whereas, On November 13, 2018, the Milwaukee Arts Board determined that the

process for considering, reviewing and recommending design for a new official City flag should be to issue a Request for Qualifications or a Request for Proposals; and

Whereas, Common Council File Number 181772, a resolution directing the City Clerk to issue a Request for Qualifications and Request for Proposals for designing and adopting a new official City flag, was adopted on May 7, 2019; and

Whereas, The City received no responses to the 2019 RFP; and

Whereas, In the nearly 5 years since the unsuccessful RFP, the Common Council has declined to take further action on the Milwaukee Arts Board's recommendations; and

Resolved, By the Common Council of the City of Milwaukee, that "Sunrise Over the Lake" shall be adopted as the official flag of the City of Milwaukee on January 31, 2025; and be it

Further Resolved, That Common Council File 54-715, which adopted the design submitted by Ald. Fred Steffan as the official flag of the City of Milwaukee on September 21, 1954, is rescinded.
