## City Hall Artifact History

### 1. Phase 1

- a. Set up "Pilot" program to sell small lot of Artifacts.
- b. "Pilot" sale occurred in March, 2010
- c. 35 Items sold through City Web Advertisement through DOA.

### 2. Phase 2

- a. Moved all Artifacts from South Shop to Lincoln Garage where they were laid out, digitally photographed and itemized.
- b. 201 Items left to sell/use.
- c. Advertised Lot Sale in July, 2010 on City Website once again.
- d. "HOLD" ...CEASE & DESIST"..."STOP DEAD IN TRACKS" came down July 7<sup>th</sup>, 2010.

### Notes:

- Forestry has evaluated all Artifacts to integration or use in Market Street Park which is scheduled as part of the City Hall Foundation work, final phase.
- DOA Purchasing has all Artifact Digital Photographs and item descriptions.
