ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report is written by Police officer Michael WARD, assigned to District 6, Community Liaison Office.

On Friday July 16th, 2021, I conducted a CPTED Survey of 2474 S. Kinnickinnic Ave., which is located in the County and City of Milwaukee.

On site during the meeting was Agent and Owner, Petra ORLOWSKI.

The location was described as a Pasta Shop, with classes, and sale of wine.

Currently there are no security cameras on site. A discussion was had regarding the potential value of safety and security with cameras on site. We discussed best placement of possible security cameras onsite in the future.

Did not observe lighting due to the hour of inspection. Large illuminating sign in front of business, and multiple city street lights in front of location. Lighting observed above entrance. Appears to be adequate.

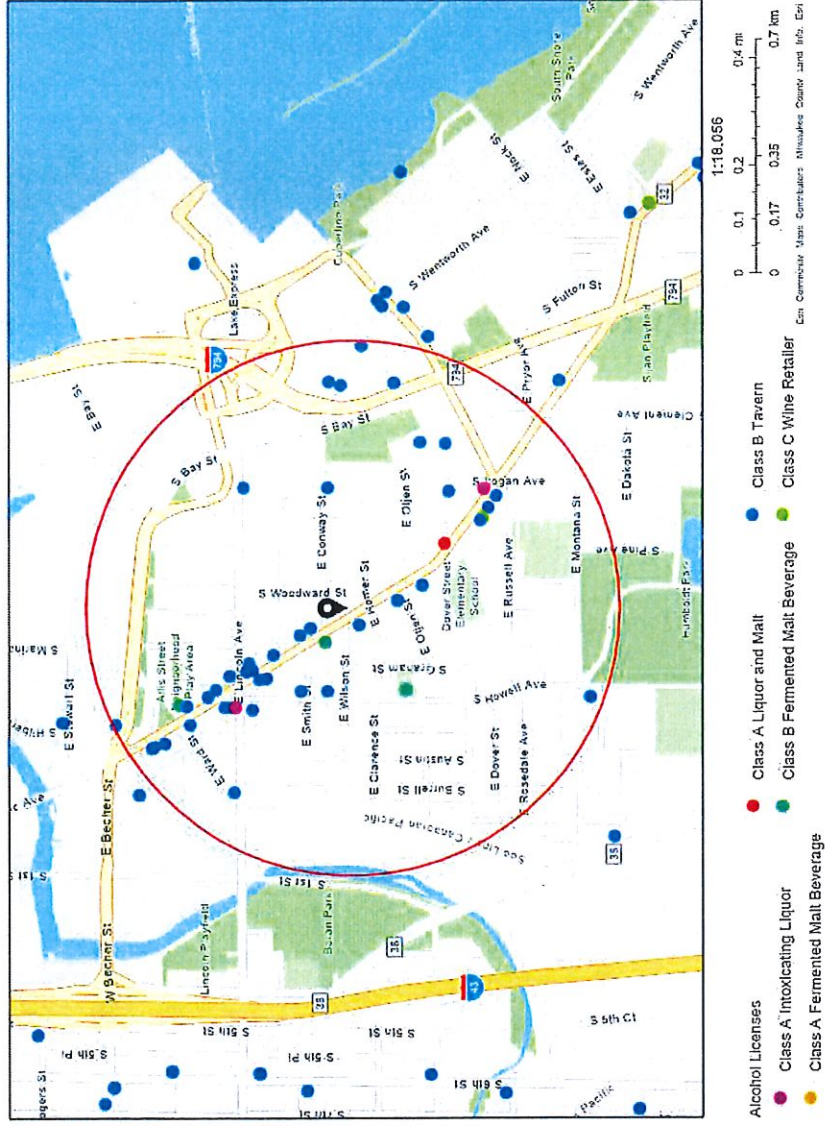

This concludes my additional comments.

I hereby agree that I will comply with the applicable sections of the Wisconsin State Statutes, Administrative Code and the Milwaukee Code of Ordinances regarding the operation of weighing and measuring devices.

I understand that all devices must be operated within the specifications, tolerances and other technical requirements set forth in the National Institute of Standards and Technology Handbook 44. I understand that the license for which I am applying must be posted on the premises or in my vehicle prior to opening for business or operating the device.

I understand that these device licenses are not transferable (with the exception of scanners). If the device is replaced or needs to be resealed, I must apply for and receive a new license so that an inspection of the device can be performed prior to its use.

I acknowledge that as a condition of being issued this license, I must allow the Health Department into the establishment to test the device to validate its specifications/tolerances. If my devices are found out of compliance, I may be charged inspection fees.

I have read, understand, and will adhere to all the above acknowledgments.
