**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

**Petition to Revocation of License at Clark/Phillips 66 Gas Station**

**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

**Petition to Revocation of License at Clark/Phillips 66 Gas Station**

**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

Here's why; The recent incident involving Williams Pinkn's heinous act of first-degree intentional homicide against Isalah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isalah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

**Petition to Revocation of License at Clark/Phillips 66 Gas Station**

**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

**Petition to Revocation of License at Clark/Phillips 66 Gas Station**

**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

**Petition to Revocation of License at Clark/Phillips 66 Gas Station**

**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinik's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!

**Petition to Revocation of License at Clark/Phillips 66 Gas Station**

**4295 N Teutonia Aven Milwaukee Wisconsin 53209**

We the undersigned demand that the license and permit at Clark/Phillips 66 Gas Station located at 4595 North Teutonia Ave be revoked. Here's why; The recent incident involving Williams Pinikn's heinous act of first-degree intentional homicide against Isaiah Allen presents a clear violation of the laws, rules, and regulations outlined in the said chapter 85 of the Milwaukee Wisconsin License and Permit Procedure. Chapter 85 of the Milwaukee Wisconsin License and Permit has established the guidelines and expectations that businesses must adhere to in order to maintain their licenses. The Clark gas station hired an individual with such a history without conducting a proper criminal background search which Violates this section 85-3. That stipulates that licensees must conduct appropriate background searches before hiring. This act has not only endangered the community but has also cost the life of the victim, Isaiah Allen. This also compromises the safety of customers and bystanders, please stand with us. Let's shut it DOWN!
