RE: C.I. FILE NO. 1030-2016-1307

I RECEIVED YOUR DENIAL OF MY CLAIM!

I am utterly confused, the first supervisor inspected the column said it has been push off the foundation and told me to file a claim.

I sent the city pictures of the truck leaving the scene of the crime.

The second supervisor came to inspect, said that the bricks are in tact, but off its foundation. His assistant also saw the column had been pushed off the foundation.

The second adjuster was very rude and condescending (white male) in my opinion I felt RACISM, in the way he treated me. The BLACK ASSISTANT tried to explain to him but he fused to listen.

I been on this block 35+ years and never been treated like this before.

If the city don't want to pay for the bids I submitted, I will be more than happy to accept the repairs from the city.

I WISH TO APPEAL THIS DECISION.

Yours Truly,

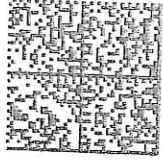

Glenda Graham-Bender
