Patricia Keating Kahn  
Historical Preservation Committee

Dear Ms. Elmer and Ms. Keating Kahn,

I ask that the consideration of the Certificate of Appropriateness scheduled for this afternoon, be deferred to your next meeting.

The reason is that I am in negotiation to sell my building to Mike Eitel. The sale would materially affect my objection (I would withdraw it). However if the sale does not happen, I would strongly object because my home would be useless.

Therefore, I do not know how to respond to this current revised proposal submitted yesterday. (after the submission date and a proposal based on conditions that do not yet exist).

As I understand it the earlier proposal is no longer under consideration, and therefore I will not attend the committee meeting today to voice any possible objection.

Yours truly,

Ken Benka
