To the Public Works Committee

Subject: Common Council Resolution File Number 130214

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130214, being a resolution to grant a special privilege to Maynard Steel Casting Company to keep and maintain a retaining wall and stationary planters for the premises at 2856 South 27th Street.

The applicant is formally requesting permission to keep and maintain a retaining wall and three raised planters in the public right-of-way. These items have existed for many years, however, that they are located partially within the public right-of-way was only determined during the design phase of the recent South 27th Street paving project.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will formally grant permission for the aforementioned items to continue to occupy the public right-of-way.

Sincerely,

Jeffrey S. Polenske, P.E.
