Re: Claim of Beyer Construction  
C.I. File No. 03-L-32

Dear Council Members:

Enclosed please find a proposed resolution. We ask that it be introduced and referred to the Committee on Judiciary & Legislation, with the following recommendation.

Claimant, Beyer Construction, 3200 S. 166<sup>th</sup> Street, New Berlin, WI 53151-4141, alleges that the claimant's client connected a fire line to the water main branch. A leak occurred and it was found to be on the City's side of the service. They claim damages in the amount of \$6,910.00.

Our investigation reveals that the Milwaukee Water Works is responsible for paying this claim. Therefore, the City of Milwaukee agrees to reimburse the claimant for its loss.

Because settlement of this matter is deemed expeditious to the City of Milwaukee, we recommend settlement of this claim and have enclosed an appropriate resolution for your convenience.

Very truly yours,

GRANT F. LANGLEY  
City Attorney

MICHAEL G. TOBIN
