To whom it may concern,

This is a statement that I agree with Mrs Cotter that the roads at Park Place are full with pot holes. We get a lot of complaints for bad roads and it's a cause they don't want to come back! We hope and pray that the city is going to help and fix this problem!

This is to CONFIRM THAT I TOWED ELAINE COTTER'S CAR ON April 21, 2024, AT 10715 W. PARK PLACE, Milwaukee, Wisconsin. AT THAT TIME THE ROAD WAS IN NEED OF REPAIR. When I ARRIVED I STATED THAT I HAD BEEN THERE MANY TIMES.

I TOOK A PICTURE OF ELAINE COTTER'S vehicle BEFORE TOWING IT.

This is to confirm what Mrs. Cotter is stating about the Road here at Park Place. This Road does need to be repaired badly. Too many pot holes causing people to damage their car.
