

To: THE CITY of MILWAUKEE CLAIMS DEPARTMENT

I, David Moten, filed a Claim with the City of Milwaukee back in early July regarding an accident involving my vehicle and a Milwaukee Police Squad Car on July 1st 2007. I would like a file for an APPEAL because I deserve to have my car repaired righteously. I talked to Lataura Griffin (other party in accident) and she claimed the Police Officer ran through the Red Light causing the whole accident to happen in the first place. I explained to her its hard to tell who's lying and I really don't care; "I just want my damn car fixed". I know when I came outside to examine my vehicle I saw the Police Car on top of my car, I would love to resolve this matter without going through the courts but if that's what it takes to get to the truth than so be it. I will be contacting the DOT to see if there were cameras viewing that area on that particular day and I also will be contacting CONTACT 6 to investigate this matter also. Thanks for your cooperation in regards to this matter.

Sincerely,

David Moten

To: THE CITY of MILWAUKEE CLAIMS DEPARTMENT

I, David Moten, am filing a **CLAIM** with the City of Milwaukee in regards to an accident involving my vehicle and a Milwaukee Police Squad Car on Sunday (July 1st 2007) between the hours of 9am and 10am. I was a resident of the Community Correctional Center when the damage occurred to my 2005 Pontiac Grand Prix, which was legally parked on the corner of State and Tenth Street. Inmates of CCC (whom were sitting in the dayroom at the time of the incident) notified me that my vehicle had been struck by a Milwaukee Police Squad Car. I quickly got dressed and was escorted outside by Ms. Addison (CCC Officer) and witnessed the Squad Car's damage to my vehicle. There also was another vehicle involved, which ended up on the lawn of the Community Correctional Center, therefore; I'm filing a claim (in the amount of **\$3599.73** or **\$3521.31**) with the City because the Milwaukee Police Squad Car damaged my vehicle. I took my car to **Westway AutoBody Shop, Quinn & Sons AutoBody Shop, and Richlen & Sons Garage** to acquire estimates as to how much it will cost to have my car repaired. I've enclosed copies of all the estimates with this letter and ask if the City could please **Reimburse/Pay** to have my car repaired, **PLEASE!** If you have any questions regarding this claim, please feel free to contact me at 4702 N. 40th St., Milwaukee, WI 53209 or call me at (414) 464-9517(home) or (414) 378-7672(work).

Sincerely,

David Moten
