Dear Mr. Polenske:

This letter is to advise you that we have received your proposed Work Plan for the subject project and have found it to be in conformance with Chapter TRANS 220 of the Wisconsin State Statutes.

The utility special provisions in the contract documents are based on your approved work plan. If you make any change to your proposed work plan, please contact me so I can revise the contract documents as necessary.

WisDOT real estate Parcels 10, 11, 16 as shown on the plat have not yet been acquired for this project. Please contact Bill Gannon, (262) 548-6768, or [Bill.GannonJr@dot.wi.gov](mailto:Bill.GannonJr@dot.wi.gov) for an update on the status of real estate acquisitions on this project.

It is my understanding that relocation of your facilities will be performed under the WisDOT construction contract. You are hereby authorized to proceed with engineering and inspection of your facility relocations and alterations for Project 1060-33-78. The Let date for this contract is August 13<sup>th</sup>, 2013.

Attached hereto is your copy of the executed Municipal Agreement for Utility ID 1060-43-48 / UA642 in the amount of \$140,055.00 of which the City's share is \$14,005.50.

Please contact Maria Rojas, SE Freeways construction utility coordinator, at (414) 750-4362 if you have any questions regarding this construction project. If you have any questions, please call me.

Respectfully,

***Michael Birschbach***
