Good Afternoon all:

Both the City Attorney and Comptroller have been asked to comment on the above file introduced by Ald Dudzik prior to it being discussed by Ald Murphy at Finance & Personnel. After reviewing the letter and attachments I believe the best way to respond to the Alderman is to invite all the parties to a meeting scheduled for 130 on Thursday April 7th in the Comptroller's Large Conference Room to discuss this request.

Topics are the alternatives, options and administrative requirements such a change would entail. We all need to be on the same page understanding each other's needs and requirements given how the current program works.

We request that your department send a representative to this meeting so both the City Attorney and Comptroller have adequate information prior to their response to the Alderman. His request is that we prepare an analysis and opinion as soon as possible. Thank you in advance for your response. If you have any questions please contact me at 2967.
