PA-33E Narrative

This report is written by P.O. Michael Krohn, assigned to District Six, Power Shift.

On May 31, 2016 at 2:07am I along with P.O. Philip Rodriguez conducted a tavern check at 3158 S. Howell Ave (The Bubbler).

Upon walking up to the tavern I could see through the front windows and observed the lights to be dimmed and the TV's were on. I observed multiple subjects sitting at the bar of the establishment and a bartender behind the bar. As officers walked in the bar the bartender, later identified as Justin C. Bashaw (w/m, 04-07-83), yelled out "time to go police are here". As patrons began to get up I told them all to sit back down and have their identifications ready. There were 4 patrons sitting at the bar and another 5 patrons sitting at a table. I did not observe any full drinks by any of the patrons.

I then spoke to Bashaw and asked if he knew that it was past bar hours, Bashaw stated yes and that he "lost track of time". I explained to Bashaw the importance of making sure that all the patrons are out of the premise at bar time. I ran a check and saw no violations in the last two years because of this I chose to just write the one citation for patron past hours.

I made contact with Theresa Bashaw at approximately 7:25pm and informed her of the violation and that a citation and license premise report would be filed.

RE: Request for license renewal hearing of Red Lion Pub

On July 13, 2016 I sent an email to file a formal complaint about the Red Lion Pub and had requested the scheduling of a hearing. The email was suggested by my alderman. As a precaution – as I did not receive confirmation to my email I thought it best to also provide this in writing.

In summary: I was instructed by my alderman to provide your office information regarding scheduling a renewal hearing for the liquor and entertainment licenses for the Red Lion Pub 1850 N Water St, Milwaukee, WI 53202

I have had repeated issues with noise from the Red Lion pub for at least a year now. They have DJs, Bands and even their Thursday night Trivia person use their outdoor patio but volume levels are not managed. The neighborhood was told this was a bar and restaurant. No one ever indicate it was a music venue with outdoor music events.

Please note other neighborhood music that takes place in summer at Denim park and radish Park are both resident friendly. Starting around diner time and ending by 8:30 pm to make sure the neighbors are not inconvenience by noise at night. These are good examples of the ability to have entertainment manage for the good of the neighborhood without undo nuance to the neighbors. My understanding is I am not the only neighbor that has complained about red lion's noise levels.

My suggestion is since Red Lion pub has issues managing the volume of its DJs, Trivia person and bands on their patio they could keep those events inside their building and the patio is for food and drink service only. This still allows them to have the entertainment but not disruptive to the neighbors. Also being indoors they can better name the noise levels as their staff wouldn't be able to take orders if they couldn't hear people. If this is not doable then I'd suggest not renewing the entertain aspects of their license - taking away the privilege for entertainment all together and just have the food and drinks - no DJs, Bands or Trivia etc.

More details can be found in the pages attached,. In addition, in my email of July 13 I attached an audio file.

Sincerely

I was instructed by my alderman to provide your office information regarding scheduling a renewal hearing for the liquor and entertainment licenses for the Red Lion Pub 1850 N Water St, Milwaukee, WI 53202

I have had repeated issues with noise from the Red Lion pub for at least a year now. They have DJs, Bands and even their Thursday night Tria person use their outdoor patio but volume levels are not managed. the attached .m4a audio file is from last weekend (July 9)

Here is the history:

July 2015 - after weeks of issues I called the Police. Officer Limberg talk to the owners and the volume go turned down (this was between 10:30 - 11 PM when the police arrived). He also provided me an email address of one of the owners i was told to use (please not I have since been provided to other emails and now have the Manger Luca Musker's email and phone number for texting as using the email the office obtained didn't provide immediate response when used after this event). The officer also said it is a difficult situation and they would need a Decibel meeting to determine the levels - unfortunately, noise late at night

July 15, 2015 - I contacted Nik Kovac (alderman for 3rd District) for the first time explaining the issues with red Lion for the neighbors

August 22, 2015 - Again loud music on the red Lion patio clearly heard with all windows closed. late as well (continued after 11 and noise levels increased from starting to end time)

March 20, 2016 - High volume issues with music on the patio. Windows closed but music clearly heard in condo. I had an open house that evening and two couples made comments about the noise levels

May 29, 2016 - Loud music again. Contacted two people at red lion (Tate and Patrick). No respond etc the following day. They gave me Lucas Musker's contact info for the future so the day delay would occur.

June 1, 2016 - Luka provide me his cell # to text to if issues occurred

June 5, 2016 - Loud DJ - volume kept increasing over hours. texted Luka - he had the DJs turn down the music

June 25, 2016 - excessive loud music late night again. tested Luka but also emailed Nik Kovac asking about red lion license renewal to continued issues (response from Nik came July 11 after I followed up on July 9 in which i also attached the sound file).

July 9 - Loud music again texted Luka at 9:45 pm and attached sound file which I also attached to this email. The music was not turned down and didn't end until 11 PM. (the patio is actually a small space so the sound levels that can be hear clearly 1/2 a block away and with winds closed seems excessive).

Please note other neighborhood music that takes place in summer at Denim park and radish Park are both resident friendly. Starting around diner time and ending by 8:30 pm to make sure the neighbors are not inconvenience by noise at night. These are good examples of the ability to have entertainment manage for the good of the neighborhood without undo nuance to the neighbors. I looked up the Red Lion Pub and their renewal hearing would not be scheduled until November. It expires December 3rd. To schedule a renewal hearing, please email your concerns to the License Division at license@milwaukee.gov and please CC us on the email. With your email on record, you specifically will be noticed when it comes up for a hearing.

With you permission, I would like to send this to the management of the Red Lion as well.

Subject: Re: Dear Alderman Kovac

Haven't heard about the date the Red Lion Pub on Water Street comes yep for its liquor and cabaret license. They have a small patio - the volume of the DJs and Bands is out of control. I have asked repeatedly and I get not much of any assistance from you, the bar and the police wanted to bring a decibel reader. This is a residential area not a summeriest stage.

I was instructed by my alderman to provide your office information regarding scheduling a renewal hearing for the liquor and entertainment licenses for the Red Lion Pub 1850 N Water St, Milwaukee, WI 53202

I have had repeated issues with noise from the Red Lion pub for at least a year now. They have DJs, Bands and even their Thursday night Tria person use their outdoor patio but volume levels are not managed. the attached .m4a audio file is from last weekend (July 9)
