Good afternoon Fran,

Thank you for the assistance you provided me in regards to JobDig. I've attached the list of the 81 locations where JobDig newspaper vending boxes will be placed within the city of Milwaukee. We originally proposed 156 boxes but have decreased that to 81. The license and bond will be coming from our home office in St. Louis Park, MN shortly. Please let me know if you need anything further from me. Again, thank you.
