Subject: Introduction of Files Related to Adoption of the 2006 Budget

Dear Honorable Members:

Please accept for introduction, at the meeting of July 6, 2005 the attached files related to adoption of the 2006 budget. These "by title only" resolutions are required for legal adoption of the city budget and are used to set fees for the 2006 budget. The ordinance and resolution relating to a Storm Sewer Charge are new and will allow the city to separate the city Sewer Fee into two components. We ask that the resolution establishing the 2006 Solid Waste Fee be scheduled so it is ready for possible adoption at the July 26, 2005 Common Council meeting. Please call Dennis Yaccarino at ext. 8552, of my staff with any questions.

Respectfully submitted,

Mark Nicolini
Budget and Management Director
