Your Rights as an Investigator

You have the right to information the crooks don't know you have.
You have the right to practical, user-friendly technology that doesn't break.
You have the right to solve your crime regardless of where the crook goes.
You have the right to have your phone call answered by a helpful American.
You have the right to a partner who treats reporting businesses with respect.
You have the right to productivity and performance w/o drama and distraction.
If you do not understand these rights, you are not using LeadsOnline.
