There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. #### ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report was written by Police Officer Fabian Garcia assigned to District 6-Early Power, Squad 6264, Community Partnership Unit.

On Friday, October 14, 2022, at 1:30 pm, I met with licensee/agent Francisco Sanchez at SiSu Café located at 2121 S. Kinnickinnic Avenue. The location is currently open, and are opened from Tuesday-Sunday 8am-2pm. The location has a parking lot to the north and west of the property. There are light fixture mounted to the exterior of the property and light poles near the west parking lot. The location has large clear glass windows, which makes it easy to see outside and inside of the location.

The location currently does not have loitering signs posted but a discussion was had regarding and Sanchez may place "No Loitering" signs in the future. The location does not have any exterior cameras, but does have 4 interior camera. Cameras are mounted in a manner that you can see the entrance and exit doors. Sanchez was provided a District Six community contact guide, which include the police emergency and non-emergency numbers, which Sanchez will place next to their phone.
