Subject: 3033 & 2624 W Lisbon AV extended hrs renewals

My wife and I down the street at 34th and Lisbon and live very nearby.
We oppose a renewal of extended hours At BOTH 2624 and 3033 W Lisbon Ave for multiple reasons.
1- we've lived in years and operated a business for over Longer than any of the current 24/7 operations. The times we have had most problems have coincided with out-of-control illegal street life, which coincides with 24/7 operations in our neighborhood. During years that area businesses operate within the guidelines of non-24/7 "good neighbor agreements" our neighborhood is at its best. The last time this occurred was in the mid teens (2016+/-). The long slide coincides with variances permitting 24/7 operation, erratic security and poor business practices.
2-Over the years of operation, no matter who owns and manages the 24/7 businesses, they ultimately cater to a culture of 24/7 street-based night life that is very disruptive to our community. I used to get gas at 3033. No more. We don't have a 3-shift workforce that needs gas, chips and soda pop 24/7.

3-Many of our customers comment on activities seen around BOTH 3033 W Lisbon and also 2624 W Lisbon AV. The overnight traffic that supports illegal drug dealing and human trafficking is frequently a closed loop between 27th and 35th St, resulting in high rates of criminal activity and chaotic traffic as well as tremendous quantities of trash. I frequently drive east, departing and returning early mornings. Rarely do I see cars pumping gas though the pumps are tied up with cars with trunks and doors open and frequently girls hustling near sidewalks. This is the business they permit to occur on and near their properties.

When allowed to persist, the streets become unwalkable due to pimps, John's and prostitution/drug-muling, leaving it uncomfortable and unsafe to walk to school or even wait for a bus. My tenants prefer to take their car to the community garden a block away so as not to be harassed by cars trolling neighborhood. My employees who must walk past these businesses to get a bus are harassed daily.

A customer recently noted, "it's no surprise that Lisbon and Greenfield Ave have similar problems". 24/7 operations have a direct link to high vacancies, high transitory rental and higher rates of percapita criminal activity. Perhaps this isn't a new phenomenon to Lisbon, as many point to x-rated Parkway Theatre (owned by 2 brothers from Racine) as the turning point in the '70s but the point remains that such disruptions import more problems.

4-It is not the responsibility of MPD to solve this problem alone. It is the responsibility of businesses to conduct themselves in a fashion that does not disrupt family's peaceful enjoyment of their residence; rental or otherwise. For the sake of our business and community, please deny extended hours renewals to BOTH 3033 and 2624 W. Lisbon.

Thank you for your consideration.

Subject: Opposition to Extended hours request for 2624 and 3033 W Lisbon Ave

Dear License Division Committee:

I wish to express my opposition to granting extended hours for both service stations/convenience stores located at 2624 and 3033 W. Lisbon Ave.

(just south of Lisbon Avenue) since 1988, thus the last 36 years. To live here is to accept the daily reality of sex work, drug dealing, and never-ending trash in our streets. Lisbon Avenue (and the surrounding residential streets) is a trash filled, sex work and street drug market from N 27th to N 35th Street and is visible for everyone to see. During my time here I have eagerly embraced multiple efforts to combat those challenges, but over time I have lost hope of impacting the 24/7 sex work or drug dealing.

I do, however, pick up the trash on the street, boulevards and vacant lots along Lisbon Avenue from just east of 27th St. to 36th St. starting at about 6:00 a.m. every Saturday and Sunday morning, weather permitting. I long ago learned that if I want something done, and I can do it, I just need to do it myself, and litter I can handle. The litter generated by these businesses is never ending, and from what I observe, there is little effort by the business owners to do anything about it. During these mornings on the street, the foot and vehicular traffic from the sex workers and drug dealers is constant. Avoiding violence (directed at others, not me, usually) is a part of my regular routine.

I also drive by each of these locations at 5:45 a.m. every weekday heading east, and the foot and vehicle traffic is constant, and it appears to be about much more than purchasing gas.

Research has shown that sex work can only thrive where the sex workers have access to convenience stores. The stretch from 2624 W Lisbon to 3033 W Lisbon with their extended hours, along with the liquor store at 29th Street (opens at 8:00 a.m., closes at 9:00 p.m.) creates the perfect ecosystem for sex work and the street drug market to thrive 24/7.

Denying extended hours will not solve the problem, but it is one tool the city can use, and that those of us who live this life daily can hope will lessen the problem.

Sincerely,

Subject: RE: 3033 W LISBON AV a RENEWAL Extended Hours

City of Milwaukee License Division,

I am writing to voice my concerns about 3033 W LISBON AV a RENEWAL Extended Hours Establishments license was applied for on 10/16/2024 for LISBON GAS & FOOD, WISCONSIN BENIPAL, LLC. It would be fair to say that I am in opposition of extending the operation hours of this gas station. I live and work in this neighborhood and I have never felt safe using this location. I have personally witnessed open air drug exchanges, firearms with large clips being brandished in public, and sex trafficking pickups at this location day and night.

When was the last time an inspection was conducted at Lisbon Gas & Food? I would like to see more safety / security put in place, the discouraging and prevention of trafficking on the premises, and kept clean on and around the lot of the business. I think it is ridiculous to provide an extension of hours before addressing the current issues. The loitering that occurs there all revolves around feeding the drug and trafficking occurring on Lisbon Ave and it is simply unacceptable.

I would like to be informed of the hearing date.

Attention: JO Casta Zamarripa Ald Lamont Westmoreland Scott P Spiker,
Andrea Pratt, Peter Burgelis Board for Licensing.

and equipped with an Axon Body Worn Camera, responded to a armed robbery carjacking complaint that occurred at the Lisbon Gas and Food located at 3033 W Lisbon AV, which is located in the City and County of Milwaukee.

Per the CAD (computer aided dispatch)

Entered at 3:42 AM.

3:44 AM - Someone took callers vehicle, caller stated that this just happened and the subjects had a gun/ Nissan Rogue Silver

-This was a rental vehicle.

3:47 AM - caller stated that he was at the gas station parked at the pump and a male walked up to the vehicle and said something like get out and the caller put his hands up and exited the vehicle/ there was another vehicle- caller thinks it was black, did not see what direction the vehicle went/cameras at gas station

-Victim vehicle - Silver Nissan Rogue

-Suspect 1- b/m w/ a gun.

Due to the CAD stating the vehicle was taken, Squad 3369, PO Tyler HENEY and PO Lauren MAROWSKY assisted me in saturating for the vehicle.

Upon arrival, I observed the vehicle, which was a Silver Nissan Rogue (Florida Plates BWGW77) parked unoccupied at the southeastern gas pump of the gas station facing east. I then observed the caller of the carjacking exiting the gas station, later identified as Dana L BROWN (b/m 06-10-1997, Ph # 414-388-2950).

BROWN stated that he stopped by the Citgo gas Station at 3033 W Lisbon Av to grab himself a Gatorade and gas. BROWN stated that he does not remember what time he arrived by assumed that it was closer to 3:00 AM because he dosed off.

BROWN stated that he observed a black sedan pull up next to his vehicle and a passenger of the sedan exited and approached him. BROWN stated that the subject opened his driver door and ordered him to exit the car. BROWN stated that the subject was armed with a black handgun and was holding it down by his right side. BROWN stated that he immediately put his hands up and exited his vehicle. BROWN stated that he then slowly walked away from his vehicle to enter the gas station. While doing this, BROWN observed the subject engaged in a conversation with the front passenger of the black sedan, which he only described as a black male. BROWN stated that he entered the gas station and told the gas station clerk to lock the door. BROWN described the subject who ordered him out of his vehicle as a black male, approximately 19 years old, wearing a dark hooded sweatshirt with the hood up, armed with a black handgun. BROWN stated that this was when he called for police services. BROWN believed that the suspects drove away in his vehicle, but they did not.

There were no witnesses on scene. I did speak with the Gas station clerk at the time, who stated that he did not observe a carjacking take place in the parking lot. I then asked if I could view video footage from the gas station, to which he guided me to where the footage monitor was and

Video Footage

I viewed surveillance footage at the Citgo Gas Station. I observed that BROWN is inside his vehicle parked in front of pump 4 facing east. I observed that his vehicle is still on as smoke was still emitting from the vehicle's exhaust. At approximately 3:37 AM, I observed a dark blue or black Infiniti sedan (possibly a Q50) with dark window tint and dark alloy rims enter the Citgo gas Station from the northwest entrance and park in front of Pump #7 facing east. The sedan is parked at this location for approximately 3 minutes. At approximately 3:40 AM, the sedan drives up to park #5 which is directly across from BROWN's vehicle.

I observed that suspect 1, who I observed as a black male 19 years old, 5'8", thin build, wearing a black hooded sweater with the hood up and white design on chest area, black jeans, black and yellow shoes exit the sedan from the rear driver passenger seat and approaches BROWN who is seated in the driver seat of his vehicle. It appears that Suspect 1 is conversing with suspect 2 who is seated in the front passenger seat of the sedan. I observed that the front passenger window of the sedan is rolled down. Shortly afterwards, I observed suspect 1 open BROWN's door and BROWN exits the vehicle with his hands up facing towards the dark colored sedan. In the footage, I can observe suspect 1 waving an object behind BROWN. BROWN then steps to the rear of the dark colored sedan and walks towards the gas station entrance door.

At this point, I observed suspect 1 enter BROWN's vehicle in the driver seat. I observed that the rear brakes of BROWN's vehicle do illuminate, indicating that the brakes of the vehicle are being pressed, which is an indicator that the suspect is attempting to put the vehicle into gear.

I then observed that suspect 1 exits the driver seat of BROWN's vehicle and swaps seats with suspect 2 who is in the front passenger seat of the dark colored sedan. Suspect 2 is unable to get the vehicle into gear as well. Suspect 2 is then observed exiting the driver seat of BROWN's vehicle and enters the rear passenger seat of the dark colored sedan. The sedan then exits the gas station using the eastern entrance of the lot and flees eastbound on W Lisbon Av.

When suspect 2 re-entered the dark colored sedan, I observed him to be a black male, 20's, approximately 5'08", thin build, with long dreads, wearing a blue windbreaker with white shoulder patches, khaki pants, and white shoes.

While on scene, I observed the licenses posted and they were up to date. I did not observe any violations while on scene of this licensed premise. It should also be noted that the gas station clerk was cooperative with this investigation.

End of report.

This report is written by P.O. Isaac ORTIZ assigned to DISTRICT 3, Late Power SHIFT, SQUAD 3441.

On 06-13-24, at approximately 12:27 PM, P.O. Omar CONTRERAS, and I, Squad 3441, were dispatched to the address of 3033 W Lisbon Av, which is in the City and County of Milwaukee for a Theft complaint.

Upon *our arrival* I observed the above listed location to be a CITGO gas station.

I spoke to the caller, identified as Maurice JACKSON (M/B, 02/07/69) who stated that his black 2002 GMC Denali XL was taken from the parking lot of the Citgo gas station without his consent. JACKSON stated at approximately 10:00 p.m on 06-12-2024 he arrived to the CITGO gas station and parked at pump 6. JACKSON stated that he went inside the CITGO gas station to pay for his gas. JACKSON stated when he walked outside he realized his vehicle was no longer at pump 6. JACKSON stated that he left his keys inside the vehicle at the time and doesn't know who took his vehicle.

I spoke to an employee at this location who identified himself as Harbreet H. SLENGH (a/m 06-02-1992). SLENGH stated he did not see when this vehicle was taken at the time and had no information on this incident that occurred at this CITGO gas station. SLENGH was cooperative with me and allowed access to review video footage of this incident taking place. To gain access to these cameras SLENGH called the store owner identified as Benipal S. SIMRANJEET(a/m 12-28-1976). I spoke with SIMRANJEET through the phone who granted me access by providing me with the passcode to access the CITGO cameras.

I reviewed video surveillance footage. The footage showed a black SUV arrive to the above location on 06-12-2024 at approximately 10:11 PM. JACKSON walks towards the CITGO gas station at approximately 10:13 PM, when shortly after the vehicle is seen leaving the CITGO gas station heading North bound on N. 31st St. We were unable to get any description of the suspect(s) due to the canopy/gas pumps of the gas station covering the view of the surveillance cameras.

While on scene, I observed the licenses posted and they were up to date. During my investigation for CALL TYPE I did not observe any violations in the licensed premise.

This report is written by Police Officer Daniel GONZALES, assigned to District Three, Early Power Shift.

On 08/16/2024 at approximately 12:50 pm, while working Squad 3253 with Police Officer Joseph BINTER we were on routine patrol near N 33rd Street and W Lisbon Ave when BINTER observed a black female laying down on the street on the curb line near the address of 3033 W Lisbon Ave, in the City and County of Milwaukee, WI.

After observing the female, later identified via prior hospital papers, Lindsey M MARTICIA (b/f 05/02/91) I administered Narcan to her on 08/16/24 at 12:58 pm. The NARCAN did not have any effect on MARTICIA. Milwaukee Fire Department was already enroute, they arrived affixed an IV and provided more medication. MARTICIA then had a reaction, became alert and ran face first into our squad after reacting to the NARCAN given by MFD.

P.O. BINTER was allowed to see surveillance video of the parking lot but due to the cameras positioning he did not see MARTICIA in camera view.

MFD Engine 32 Lt. HOOSE of RED Shift was on scene along with MFD Med 2 Act Lt. OWENS. The Med unit transported MARTICIA to Mt. Siani ER.

It should be noted that MARICIA appeared to have old burn marks on her body and one of them was peeled off and actively bleeding while OfficerS and MFD were on scene at 3033 W Lisbon Ave.

MARTICIA stated she did nothing wrong, was homeless and no telephone number. Officers left MARTICIA in the care of the hospital facility in good health and safety.

It should be noted that the business was not directly involved in the incident. MARTICIA only overdosed in front of the address. The clerk that was working there was helpful and allowed P.O. BINTER full access to the cameras.

LICENSED PREMISE REPORT

Marx, Michael J 029448

12/11/2024

This report was written by P.O. Justin BERNERO, assigned to District 3, Early Power Shift. Squad 3235 with P.O. Michael MARX.

On Saturday, September 28th, 2024 we responded to the address of 3033 W Lisbon Av, (Lisbon Gas and Food) which is in the City and County of Milwaukee, for Property Damage complaint.

Upon arrival we met with a worker of the gas station who did not speak English so he pulled his phone out and called a subject verbally identified as Benipal SIMRANJEETS (W/M 12-28-1979). SIMRANJEETS is the owner of Lisbon Gas and Food. SIMRANJEETS stated that he was following a subject later identified as Rodney L BARBER (B/M 3-3-88). SIMRANJEETS stated that around 4:30am BARBER was causing a disturbance in the parking lot of his gas station. SIMRANJEETS stated BARBER ripped a piece of conduit off of a pole in his parking lot and intentionally and without consent began swinging it at his exterior windows and cracked three of his bullet proof windows costing him ten thousand dollars.

Squads who assisted to the call

31,30, 3150, 3172, 3225, 3245, 7190.

I spoke to the caller, SIMRANJEETS stated that he was not at the gas station while BARBER was doing this, however the worker on night shift was sending him videos of BARBER swinging the conduit at the windows and had known him from previous interactions they had at the gas station. SIMRANJEETS stated he was at the gas station around 11am when he observed BARBER come back and begin throwing items around the parking lot.

Officers conversation with SIMRANJEETS was still being had over the phone, SIMRANJEETS was urging officers to please meet him at the intersection of N 27th St and W Lisbon Av. SIMRANJEETS stated that he had followed BARBER to that intersection and he is not sitting at the bus stop. SIMRANJEETS stated he does not want BARBER to get away because he keeps causing him trouble at the gas station. SIMRANJEETS stated BARBER was a black male wearing black pants and no shirt. SIMRANJEETS stated

there was a female sitting next to BARBER at the bus stop but she had nothing to do with it. SIMRANJEETS stated he was parked right by the bus stop. Before changing locations P.O. MARX and I observed three exterior windows to be cracked on the North side of the building.

P.O. MARX and I changed locations to N 27th St and W Lisbon Av and pulled into the BP gas station there. SIMRANJEETS stepped out of his car and began pointing at BARBER, stating that was him. BARBER realized we had arrived and began walking away from us. We caught up to BARBER and placed him into custody.

The owner SIMRANJEETS was cooperative with officers even with a language barrier that assisted in Officers locating and taking subject into custody.

I reviewed video footage of the incident which revealed that at approximately 4:29am on the listed date, BARBER was walking around the parking lot of the gas station and began pulling on a electrical conduit pipe, which was attached horizontally to a pole between pump 1 and pump 2. After pulling on it a few times BARBER detached the pipe from the wall and began swinging it around his body. At 4:32am BARBER begins swinging the conduit pipe at the three external windows of the gas station on the north west side of the building. It appeared from the video footage that there was a heavy metal object attached to one end of the pipe. I observed BARBER to be swinging the pipe extremely hard, with a lot of force at the window. I observed BARBER to strike the window seven times, before throwing the pipe to the ground. BARBER begins walking around the gas station again, before coming back to the pipe, picking it up and swinging and striking the windows four more times.

There were no issues with obtaining video surveillance from above listed location.

While on scene, I observed the licenses posted and they were up to date. During my investigation I did not observe any violations in the licensed premise.

Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
