To the Honorable, the Common Council

Subject: Resolution dedicating certain City-owned land for public alley purposes to widen the west leg of the east-west alley in the block bounded by West Cherry Street, West Vliet Street, North 33rd Street and North 34th Street, in the 4th Aldermanic District of the City of Milwaukee.

Dear Honorable Members:

The City of Milwaukee has fee title to a certain parcel of land located at 1418 through 1420 North 34th Street.

The east-west alley adjacent to this property is scheduled for widening and improvement on the 2003 alley paving program.

The dedication of a certain portion of said City-owned land would officially open that portion for public alley purposes and allow for the widening of the alley pavement from 14 feet to 20 feet. This extra alley width will improve vehicular circulation for the abutting property owners as well as for garbage trucks.

I believe this dedication is desirable and have prepared a resolution for this purpose which I recommend for adoption.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano Schifalacqua
