The Maintenance Plan:

NIDC's process is to be notified of vandalism/issue, assess damages, and engage DPW when possible.

- ▶ Garden leaders steward regular maintenance of their Healing Space: watering, caring for plants, removing debris and minor repairs.
- ▶ NIDC has budgeted funds for some HSI repairs, such as little free libraries doors and handles.
- ▶ DPW, Infrastructure, Bridges and BLDGS will cure graffiti on a case by case basis.
- ▶ DPW maintains HSI spaces with snow removal, mowing, and liter pick up.
- ▶ DPW will continue maintenance in perpetuity on HSI spaces that are not urban agriculture.
- ▶ Big Clean Garbage Bins: Receptacles have been placed at HSI locations, more to be placed in the future.

*BIG SHOUT OUT and Thank You to Ald. Russell Stamper!!

Healing Spaces Initiative: An Award Winning Program

Recipient of the Milwaukee Awards for Neighborhood Development Innovation (known as the MANDIs)

The MANDIs celebrate the “good news” of successful efforts to revitalize neighborhoods and strengthen the community.

- 2022 Northwestern Mutual Collaboration Award Winner, \$10,000

- ▶ The Northwestern Mutual Foundation Collaboration Award recognizes community impact through an initiative that utilizes small, grassroots collaborative efforts to affect change and advance progress. HSI projects are envisioned by local residents and are the result of robust community outreach efforts. Our partners included Milele A. Coggs, District 6 Alderwoman, City of Milwaukee, Bader Philanthropies, Inc., Groundwork Milwaukee, TRUE Skool, Eras Senior Network and Safe & Sound.

Recipient of an AARP Wisconsin Challenge Grant

The **AARP Community Challenge** grant program is part of the nationwide **AARP Livable Communities** initiative that helps communities become great places to live for residents of all ages. The program is intended to help communities make immediate improvements and jump-start long-term progress in support of residents of all ages.

- 2022 Community Challenge Award Winner, \$25,000

Goals Met: 2022

- ▶ Identified new neighborhood partners to apply for CIP grants
- ▶ Found opportunities to collaborate with other city departments on projects (ECO, DPW)
- ▶ Creation of more Fall event opportunities

Goals for 2023

- ▶ **Continue awareness and promotion of CIP projects with community partners**
- ▶ **Continue communication with Council members and aides to encourage grant program applications throughout the City**
- ▶ **Initiate ways to get smaller agencies involved in CIP**
- ▶ **Look for partnership opportunities for third party financial support**
