

September 11, 2001

To the Honorable Common Council
Public Improvements Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 001332, being a substitute resolution to vacate a portion of North 31st Street between the Wisconsin Central Railroad right-of-way and West Cameron Avenue, in the 1st Aldermanic District. This vacation was requested by Milwaukee Metropolitan Sewerage District to support flood abatement efforts along Lincoln Creek.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation. The Commissioner of Public Works has found that a new guardrail must be added at the new southerly limit of North 31st Street.

Since the proposed vacation is not in conflict with city plans, the City Plan Commission at its regular meeting on September 10, 2001 recommended approval for the attached substitute resolution.

Sincerely,

Julie A. Penman
Executive Secretary
City Plan Commission of Milwaukee
