Meeting: FINANCE & PERSONNEL COMMITTEE on 2021-10-15 9:00 AM - Special This is also a virtual meeting. Those wishing to view the proceedings are able to do so via the City Channel - Channel 25 on Spectrum Cable - or on the Internet at <http://city.milwaukee.gov/c>

Item: 1. 210894 Substitute resolution relating to the appropriation of the remainder of the first tranche of American Rescue Plan Act funds.

eComment: I write in support of the following proposals to make Milwaukee a more equitable, safe and healthy city for all of its inhabitants: ARPA#7 (Kovac) \$2.7 million for a Green Jobs Accelerator as recommended by the City-County Task Force on Climate & Economic Equity Jobs & Equity work group; ARPA#74 (Johnson) \$5 million to provide energy efficiency upgrades to low-income families in underserved areas; ARPA#9 (Kovac) \$1 million to develop a factory to build modular zero-emission homes; ARPA#12 (Dimitrijevic, Bauman, Kovac) \$10.7 million to expand Milwaukee's tree canopy and other Green Infrastructure. I am also in support of including \$2 million for energy efficiency upgrades in any ARPA proposal funding lead abatement work and \$200,000 for consultancy from the Green & Healthy Homes Initiative to leverage further funding for combined lead abatement and energy efficiency upgrades. These proposals are essential to the health and well-being of Milwaukeeans, and the future of our city.
