Re: File #070618 Communications from the Health Department relative to technical corrections to the 2007 Positions Ordinance.

Dear Mr. Owczarski:

In an effort to maintain proper position authority for grant funded positions in the 2007 Positions Ordinance, the Health Department is submitting this communication relative to technical corrections to the 2007 Positions Ordinance. The majority of the changes are needed as a result of inadvertent errors made to corrections to the Positions Ordinance at the time of the Grant Resolution and to those corrections being made at the same time as the 2007 Budget changes were made. Other changes are simply changes that can be done as a result of grants ending. The 2007 Positions Ordinance would need to be amended as follows:

ADD Footnote (QQQ) to read as follows:

As always, thank you for your assistance regarding this matter. If you require additional information or clarification I will be available at the Finance and Personnel Committee Meeting on September 19, 2007 or available at X3997.

Sincerely,
