I have served on the Brady St. BID #11 for one term and have owned a business on Brady ST. for 6 years; Dragonfly at 1117 E. Brady St. I also own a rental property in addition to my home just off Brady St.

I have been active with both the BID and the Brady St. Area Association on projects such as special events, developing our website and promoting our neighborhood & business district and look forward to expanding on these things in the future.
