To: City Clerk, Description of Incident.

I had reported my car stolen on May 5, 06 they failed to contact me to tell me my car was in the pound & by then had storage fees to get it out. They called me a month ^{1/2} later. So I did get 30 days waived for the inconvenience but it still left a ~~big~~ big balance. I told them my car was financed and I still owed payments. They proceeded to sell my car. So I want sought damages for full value of my car. They were suppose to notify me when they had record of where it was the day or next day of. Thank you

To: City Clerk

I AM making a claim against the city of Milwaukee because I Benjamin Harris had reported my car stolen and the city failed to call me to tell me my car was found & that it was in the pond. So while it (my car) sat there I had storage fees adding up.
