Subject: Austin Street Affordable Housing
Date: Thursday, April 9, 2026 5:59:08 PM

Hello,

I wanted to express my very strong support for the proposed affordable housing on Austin Street. Bay View is increasingly expensive and much of the housing is not accessible to people with mobility issues. I'd support tripling the number of units because there's such a dearth of accessible and affordable housing in the area.

Thanks,
- Mitchell Henke
