Alderwoman Lewis,

I am getting ready to purchase the vacant lot at 8319 N. Andrea St. There are several issues with this lot that I have been working with the City on, but one of the biggest is the fact that there is no access because N. Andrea St. has never been improved. The lot currently has a deed restriction that does not allow access from N. Granville but the City is going to agree with my request to have the restriction lifted, but it will have to go through Common Council. They have asked me to send the formal request to you so it can be put on the agenda for the next meeting. Most of the departments at the City are aware of the problems with this lot so I'm expecting it to pass through their review rather quickly. If I'm reading the Councils schedule correctly, I'm hoping to get it on the Agenda for the end of the month.
