Case #:C2504120143

OtherEvent #: 25-LP-1659

On Saturday April 12th, 2025, Squad 4240 (PO MCINTOSH and I) was dispatched to an entry complaint located at 8831 N 96th St. in the City and County of Milwaukee.

Upon arrival I observed the outer door to this above unit to be damaged. It appeared as if the doorknob/handle had been beaten off of the door with some blunt and heavy object. I spoke with the residents there who did not speak English Primarily. I was able to find one resident, **Adalberto HERNANDEZ (h/m 8-7-76)** who spoke English, and he related what had occurred to me.

HERNANDEZ stated that a group of females had approached this unit and began hitting on the door and then eventually made their way into the hallways. He stated that he and no one else knew who these females were and had no idea why they would be causing this scene. He stated that all residents of this unit were Hispanic, and no one had any issues. HERNANDEZ supplied a plate to me, AEE7720. He stated that this was on a black SUV. He stated that the suspect females arrived in this vehicle and left in it.

PO MCINTOSH and I left the above address and responded to where this vehicle listed, 8872 N 95th St. #E. It was here that I spoke with **Lasheta R. GOUDY (b/f 6-23-82)**. GOUDY stated that she had been searching for a group of females which had jumped on and battered her daughter, **Natoria R. GOUDY (b/f 8-9-08)**. I was aware that there had been a prior robbery call located near this area. This would be CAD **P2504121029**. GOUDY stated that she was going to bring her daughter (Natoria) out so I could speak with her. Natoria advised me that she had been going to the gas station at 9425 W Brown Deer Rd. (also in the City and County of Milwaukee) and was located by a group of females who dislike her. She stated that she went into the gas station to hide but was cornered by the group where they assaulted her. Natoria is 16 years of age. She stated that the suspects were around her age but it unknown what their exact age is.

Natoria stated that she has had a problem with this group of females that used to go to Vincent High School. She stated that she is now homeschooled and has been for about a year. She stated that her mother (Lasheta) organized this to keep her out of trouble. She would not elaborate on the details of why this group hates her but said that it started over the death of her "ex-boyfriend". Natoria stated that this is a group that she has had multiple altercations with and the actual incident/s which started the animosity is no longer relevant. She stated that during the 3 v 1 fight, she hit her head on the ground. She stated that she did not lose consciousness, but I observed a swollen area on her forehead which I took photographs of. Entered into evidence.com under CAD P2504121071.

Natoria also advised me that she was able to locate a video on social media that was uploaded by a male that observed the fight but did not take part in it. I sent a link which contains the video Natoria described. CAD P2504121071. In this video you observe Natoria make her way towards the rear (Southern) end of the gas station. Various heavier set black female suspects follow her to a corner and begin to batter her. Blows are exchanged from suspects and victims and eventually Natoria succumbs to the number of attackers and falls to the floor. Shortly after this, the females appear to leave the gas station. The suspect descriptions are as follows:

S1: black female, average build, short, red hair extensions, black pants, blue top. Possibly named "Renaja"

S2: black female, heavy build, medium height, black braided hair, grey sweatshirt, white shoes. This suspect also has a small white purse. Possibly named "Kamirah".

S3: black female, lighter build, grey outfit, hair in loose ponytail. Possibly named "Zada".

No other information is known on the above female suspects.

I advised Lasheta GOUDY that she would be issued a citation regarding property damage as she damaged the door of an apartment building which did not contain the suspects that battered her daughter. Natoria was later transported by private ambulance regarding her head pain.

Officers are working on recovering video regarding this incident at the gas station.

The above incident had no relation to the business itself. The incident just happened to occur in the gas station. Officers have never had any issue with the cooperation of the above licensed business or its staff.
