Great morning,

Here's a statement I'd like to be share this morning:

Good morning. Today I am relinquishing the role as chair of the Community Collaborative Committee and preparing the way for others to step up into their leadership. We recognize the work is always best done with those who are directly impacted by the issues we are fighting for and what better person than someone who has unfortunately suffered under the grip of police violence. I am thankful for the opportunity to serve the community and the grace God has given me and His strength to support Dontre Hamilton's family for many years and I continue that work and support to their family. Nathaniel Hamilton, Dontre Hamilton's brother, has been a part of CCC since its inception and has been preparing to assume leadership on this committee. It is with my strong recommendation along with the executive committee, Fred Royal as Vice Chair and Tammy Rivera as treasurer/research chair that Nathaniel Hamilton be named chair of the CCC to support the ongoing work and efforts for the future.

I am confident with his lifelong commitment to his brother's legacy and community he will serve our community and body of work well. Nate and the executive team know I'm a phone call away and willing to support their leadership to advance the community's recommendations.

Thank you for the opportunity to share this recommendation and, to the Community Collaborative Committee be great!
