To The Public Improvements Committee

Subject: Street Lighting Improvements
W. Fond du Lac Avenue from
N. 19th Street to N. 36th Street

Dear Honorable Members:

The 2001 Capital Improvements Program includes the improvement of W. Fond du Lac Avenue from N. 19th Street to N. 36th Street. In conjunction with that paving project, funding for the installation of street lighting improvements and other streetscape amenities will be provided by Wisconsin DOT under the Federally funded State Transportation Enhancement Program.

We have, therefore, prepared the attached resolution which authorizes and directs the Commissioner of Public Works to execute a contract with the Wisconsin Department of Transportation for the installation and/or modification of street lighting facilities in conjunction with the improvement of W. Fond du Lac Avenue from N. 19th Street to N. 36th Street in the 7th, 10th and 17th Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Commissioner of Public Works
