Re: Contract for Wisconsin Hazardous Materials Response System Services

Dear Chief Rohlfing:

Enclosed please find three executed originals of the Contract for Wisconsin Hazardous Materials Response System Services for the period covering July 1, 2015 through June 30, 2017.

I have also enclosed an additional set of signature pages that will allow me to assemble a master original of the contract with all original signature pages. I will provide you with copies of all signatures pages from the other contract partners when they are all received.

Once executed by your local officials, kindly return one original contract and the additional set of signature pages to me in the enclosed envelope. You may retain the additional contracts for your municipal file.

Thank you for your professional courtesy in this regard.

Sincerely,

Randi Wind Milsap  
General Counsel
