noise complaint located in the area of N 23rd St. and W. State St. Prior to our arrival the call for service read that on the north west corner of the street there was loud music coming from the bar. Before getting to the location I knew it was going to be related to Talk of the Town (2302 W. State St.) because that is the only bar in that general area. Upon our arrival we observed there to be a few people sitting outside the bar on the sidewalk with a side door to the bar open and music coming from inside the bar. We made contact with the people outside and advised them that there was a complaint and the music was a little loud. They stated they understood and the music was then lowered.

End of report.
