To the Public Works Committee

Subject: Common Council Resolution File Number 090896

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 090896, being an amendment to a special privilege for change of ownership for a fence in the public right-of-way for the premises at 9306 West Flagg Avenue.

Complete Lawn Services Inc requested permission for a fence to occupy the north sidewalk area of West Flagg Avenue and, in 1992, permission for said fence was granted under Common Council Resolution File Number 920048. The 8-foot tall chain link fence, which projects 4 feet into the public way, commences at a point approximately 32 feet west of the westline of North 93rd Street and extends 120 feet to the west.

We are not aware that the presence of said fence has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will formally allow the fence to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

Art Dahlberg, Commissioner
Department of Neighborhood Services
