SUBJECT: 7th ALD. DIST. - FILE #111705
INSTALL STOP SIGNS ON WEST GLENDALE AVENUE
AT NORTH 40TH STREET

Dear Alderman Wade:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents that warrant the installation of the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

REMOVE YIELD SIGNS ON WEST KAUL AVENUE
AT NORTH 38TH STREET

Dear Alderman Hamilton:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a bush that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Dear Alderman Dudzik:
