Dear Council members this letter is in regards to a proposed suspension of the operating privileges of Juniors Bar and Grill located at 5409 N. Green Bay Av. I would like to raise my objection to such a proposal. It is unfortunate that some person's behavior may be inappropriate; however, all of Juniors' patrons myself included should not bare the burden of these persons.

As the Vice President of a labor organization I also feel that the staff of this establishment should not have to endure economic hardship because of these acts. With the state of the economy in its present condition we should be looking for solutions that promote economic stimulus instead of economic stagnation.

I would hope that for the sake of the other constituents and myself who work and patronize Juniors Bar and Grill that you reconsider this proposed suspension and consider a solution more palatable to all persons who utilize this establishment.

Respectfully

Fred Royal Jr.
