Honorable Tony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #170485
INSTALL STOP SIGN ON SOUTH PINE AVENUE
AT EAST IDAHO STREET

Dear Alderman Zielinski:

This is in response to a request we received from a Milwaukee County Park employee to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstruction exists on the northeast corner of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGNS ON SOUTH HILBERT STREET

REMOVE YIELD SIGNS ON SOUTH HILBERT STREET
AT EAST STEWART STREET

Dear Alderman Zielinski:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and southwest corners of the intersection in the form of buildings that would warrant the need to change the present yield control to a stop control.

We therefore, in the interest of public safety, recommend the installation of the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
