#### Article I. Conditions of the Parties' Obligations

The Agreement is contingent upon authority granted under the laws of the State of Wisconsin and the United States of America, and any material amendment or repeal of the same affecting relevant funding or authority of WEM shall serve to revise or terminate the Agreement, except as further agreed to by the parties. WEM and the grant recipient (Grantee) understand and agree that no clause, term, or condition of the Agreement shall be construed to supersede the lawful powers or duties of either party.

#### Article II. Applicable Rules and Regulations

The Grantee assumes legal, financial, administrative, and programmatic responsibility for administering the award in accordance with the approved application; the laws, rules, regulations, and State executive orders governing grants and cooperative agreements; the Standard Terms and Conditions, and the Agreement, including responsibility for complying with any provisions included in the award. Instructions, guidance, limitations, and other conditions set forth in the Notice of Funding Opportunity (NOFO) for this program are incorporated here by reference into the Agreement. The Grantee must comply with all requirements set forth in the program NOFO.

#### Article III. Adherence to Original Project Objectives and Budget Estimates

The Grantee is responsible for any commitment or expenditure it incurs in excess of the funds provided by the award. Pre-award costs are those incurred prior to the date of the award directly pursuant to the negotiation and in anticipation of the award where such costs are necessary for efficient and timely performance of the scope of work. Such costs are allowable only to the extent that they would have been allowed if incurred after the date of the award, and only with the written approval of the authorized official or delegate.

#### Article IV. Allowable Activities and Costs

Only activities and expenses that are included in the approved award application are allowable for reimbursement by grant funds. All costs must be allowable, allocable, necessary, and reasonable. Costs must match the grant's approved application, must be incurred and obligated (purchase order issued, class scheduled) within the performance period, and payment made within 30 days of the grant period end date.

#### Article V. Duplication of Benefits

Any cost allocable to a particular financial assistance award may not be charged to other financial assistance awards. This may include, but is not limited to, shifting costs to overcome fund deficiencies; to avoid restrictions imposed by statutes, regulations, or financial assistance award terms and conditions. However, these prohibitions would not preclude grantees from shifting costs that are allowable under two or more awards in accordance with existing statutes, regulations, or the financial assistance award terms and conditions.

#### **Article VI.** Acceptance of Post-Award Changes

In the event WEM determines that changes are necessary to the Agreement its execution, including changes to the period of performance, the Agreement or any exhibits or other attached documents, grantees will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate grantee acceptance of the changes to the award. Failure to agree to a renegotiated Agreement under these circumstances is cause for WEM to terminate this Agreement.

#### **Article VII.** Prior Approval and Modifications

All activity and the corresponding expenses must be approved prior to conducting the activity and/or incurring the expense unless otherwise stated in the Notice of Funding Opportunity. The following require WEM's advance written approval:

- (a) Changes to key personnel.
- (b) Changes to the grant period (submitted prior to the approved end date of the grant).
- (c) Changes to the scope, objectives, performance measures, or intent of the approved award.
- (d) Changes to the budget do not fall within a change to the scope or objective but exceed the approved budget categories by ten percent (10%) of the total award.

WEM will notify the Grantee in writing within thirty calendar days after receipt of the request for revision or adjustment whether the request is approved. Upon approval, WEM will issue a signed Grant Adjustment Notification (GAN). All changes are not officially approved until the GAN is received by the Grantee.

#### Article VIII. Project Income

All income generated as a direct result of a grant-funded project shall be deemed program income. Program income must be used for the purpose of and under the conditions applicable to the award. Program income should be reported as earned and accounted for in your reimbursement request.

#### Article IX. Procurement

Grantees shall use their own procurement procedures and regulations, provided that the procurement conforms to applicable state law and procurement standards.

#### **Article X.** Payments and Closeout

Grant funds will be paid on a reimbursement basis only and disbursed by WEM upon completion of and approval of all monitoring requirements as well as verification to the best of WEM's ability that all terms, conditions, and requirements have been met. If WEM determines that payment to the Grantee was not proper after the payment has been made, WEM will notify the Grantee of recoupment in writing after which the Grantee has 30 days to repay WEM or appeal the decision.

#### Article XI. Monitoring

Grantees must complete all required reporting and comply with additional monitoring requirements as stated in the Notice of Funding Opportunity and Award Agreement. WEM may impose additional reporting requirements throughout the grant performance period as needed. Grantees must submit timely, complete, and accurate reports to the appropriate WEM contacts and retain backup documentation to support the reports for the applicable records retention period. Grantees must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

#### Article XII. Maintaining, Retaining, and Access to Records

All grantees, recipients, subrecipients, subgrantees, successors, transferees, and assignees must comply with applicable provisions governing access to records, accounts, documents, information, facilities, and staff.

- (b) Grantee must cooperate with any compliance reviews or compliance investigations conducted by the State of Wisconsin, WEM, and/or other funding agencies including access to examine and copy records, accounts, and other documents and sources of information related to the financial assistance award and permit access to facilities and personnel.

#### Article XIII. Best Practices for Collection and Use of Personally Identifiable Information

Grantees who collect personally identifiable information (PII) are required to have a publicly available privacy policy that describes standards on the usage and maintenance of the PII they collect. Wis. Stats. § 19.62 (5) Personally Identifiable Information (PII) means information that can be associated with a particular individual through one or more identifiers or other information or circumstances. This includes, but is not limited to, driver's license numbers, Social Security numbers, addresses, telephone numbers, credit card information, and/or bank account information.

#### **Article XIV.** Establishment of Safeguards

The grantee shall ensure the establishment of safeguards to prevent employees, consultants, or members of the governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business, or other ties as specified in Wis. Stats. §§ 946.10 and 946.13.

#### Article XV. Nondiscrimination

In connection with the performance of work under the Agreement the Grantee agrees not to discriminate against any employee or grantee for employment because of age, race, religion, color, handicap, sex, physical condition, or developmental disability as defined in Wis. Stats. § 51.01(5); arrest or conviction record, or sexual orientation, as defined in Wis. Stats. § 111.32(13m); or national origin, ancestry, or marital status. This provision shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. Apart from sexual orientation, the Grantee further agrees to take affirmative action to ensure equal employment opportunities. The grantee agrees to post in conspicuous places available for employees and candidates for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.

#### Article XVI. Liability

The State of Wisconsin, the Department of Military Affairs, Wisconsin Emergency Management, its agents, and employees shall not be liable to the Grantee, or to any individuals or entities with whom the Grantee contracts for any direct, indirect, incidental, consequential, or other damages sustained or incurred because of activities, actions, or inactions on the part of the Grantee for services rendered pursuant to the Award Agreement. The grantee agrees to indemnify and save and hold the Department of Military Affairs, Wisconsin Emergency Management, its agents, and employees harmless from all claims or causes of action arising from the performance of this award by the Grantee or grantee's agent or employees.

#### Article XVII. Severability

The invalidity, illegality, or unenforceability of any provision of the Agreement or the occurrence of any event rendering any portion or provision of the Agreement void shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. The parties further agree to amend the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

#### **Article XVIII. Noncompliance and Remedial Measures**

Submission of an application constitutes the Grantee's designated project director's agreement to comply with and spend funds consistent with all the terms and conditions of this award. If required statistical data, reports, and other required information are not submitted when due, WEM may withhold all payments that otherwise would be paid to the Grantee under the Agreement until such time as the reports and information are submitted. The Grantee shall provide written notice to WEM of all instances of noncompliance with the terms of the Agreement by the Grantee or any of its Subgrantees or Subcontractors, including noncompliance with allowable cost provisions. Notice shall be given as soon as practicable but in no case later than thirty (30) days after the Grantee became aware of the noncompliance. The written notice shall include information on the reason for and effect of the noncompliance and a plan to correct the noncompliance.

Failure to comply with any part of the Agreement may be considered cause for revision, suspension, or termination of the Agreement. If WEM determines that noncompliance with the Agreement has occurred or continues to occur, it shall demand immediate correction of continuing noncompliance and seek remedial measures it deems necessary to protect the interests of the State up to and including the following:
